

Norval Foundation is dedicated to the research, understanding and care of twentieth and twenty-first century visual art from Africa and its diasporas. We realise this commitment through our exhibition, education, publication, and public programming as well as our stewardship of the Homestead Collection. Museums like the Norval Foundation play a crucial role in alternative education and inspiring a young audience.

Your donation will go specifically towards the Norval Foundation Education Fund. These funds are ring fenced to bring children and students from previously disadvantaged communities to the museum on a regular basis. Our focus lies on children of all ages, ranging from foundation to senior phase.

Norval Foundation is a registered not-for-profit organisation since 2018. Their ongoing aim is to make art widely available to the public through the creation of a self-sustaining centre for art. The proceeds from capital donations are used to secure the Foundation for future generations.
