## The Nedbank Cape Winemakers Guild Auction

### MASTERS OF THEIR CRAFT

Established in 1982, the Cape Winemakers Guild is a collective of some of South Africa's greatest winemakers. These 42 winemakers have been recognised as excelling at their craft by their peers within the Guild. Membership of the Guild is by invitation only and is extended to winemakers who have been responsible for the production of wines of excellence for a minimum of five years and who show promise of not only consistently exceeding industry standards, but also promoting the values of the Guild.

Over the last 40 years, the Guild's winemakers have demonstrated a commitment to developing the local wine industry, through innovative practices and the sharing of knowledge. The Guild and its members are investing in the future of winemaking, by nurturing young winemaking talent through the Nedbank Cape Winemakers Guild Development Trust and its Protégé Programme.

The CWG meets regularly as a technical tasting group, providing its members with an opportunity to evaluate wines from around the world and to share their knowledge and ideas – ensuring that CWG members remain leaders in the art and science of winemaking.

Being recognised as industry leaders also kindles responsibility for promoting quality through continuous learning and education, and as a result, the CWG is the first organisation in South Africa to create a foundation for social transformation.

Since the formation of the Guild's Development Trust in 1999, it has been a part of the Guild's journey to support meaningful transformation in the wine industry. Through this Trust, the CWG empowers farm employees through further education and contributes towards transformation by way of its Protégé Programme.

The projects are wholly funded by CWG Charity Auctions, donations by corporate sponsor Nedbank and donations from

outside organisations. To support the Protege Programme, please participate in the Online Protege Programme Auction, running from Monday 26 September to Monday 3 October at 19:00 at [www.straussart.co.za](http://www.straussart.co.za).

### PROTÉGÉ PROGRAMME

Since the inception of the Protégé Programme in 2006, 30 Protégés have completed the three-year internship and 8 are currently participating in this ongoing programme. Of those who have graduated, 18 now either hold leading winemaking roles or have their own winemaking projects.

The CWG has become a unique institution in the way all 42 members remain involved in this uplifting initiative, providing mentorship to ensure that both the industry standards and the values of the CWG, exceeds all expectations, and are maintained by new talent and the future policymakers.

### BILLY HOFMEYR AGRI SETA BURSARY

The Guild has been able to provide 44 bursaries for promising final year students at Elsenburg College and Stellenbosch University between 2009 and 2022. The aim is to identify potential Protégés and encourage the bursary students to apply for the Protégé Programme when they graduate.

### WINE TRAINING SOUTH AFRICA

From 2014, the Guild has financially supported Wine Training South Africa so that they could have their courses SETA accredited. A total of 3776 employees within the wine industry have participated in the numerous courses offered by Wine Training South Africa between 2015 and 2022 alone.

Simonsig

Kaapse Vonkel Decade Pinot Meunier,  
2011  
(750ml) 100% Pinot Meunier

Hand-picked early in the vintage to  
preserve acidity and then whole bunch  
pressed. The juice is fractioned and only  
the finest cuvée is used. After yeast and  
sugar is added, the prise de mousse took  
place in our cool cellars to create an extra  
fine mousse. Ageing on the lees lasted  
more than a decade before disgorging in  
May 2022. A very low dosage was added,  
the result being an extra brut with only  
3.9 grams of sugar.

TASTING NOTES

Complex aromas of roasted almonds and  
brioche. Showing beautiful evolution after  
a decade in the bottle, creating a rich,  
creamy texture and persistence on the  
palate. Fresh and bone-dry finish.

This is the first Pinot Meunier Cap Classique  
that has ever been released by Simonsig.

Ready for drinking now.

Paul Cluver Wines

The Wagon Trail Chardonnay, 2021

(750ml) 100% Chardonnay

2021 was one of the latest harvests experienced over the past decade. This wine is made from our oldest Chardonnay vineyard (34 years) which was harvested on the 24th of March. Grapes were whole bunch pressed, the juice naturally settled and transferred to 300 litre oak barrels for fermentation without yeast inoculation. Minimal lees stirring retains freshness allowing structure and texture to evolve, while showing the typicity of site. The wine was matured in barrel for nine months whereafter it was transferred to tank and stabilised for bottling.

TASTING NOTE

A wine with great focus, purity, poise and minerality. The nose shows hints of lemon and tangerine, with the palate’s pronounced features being elegance and balance, the overall complexity of a terroir-driven cool climate Chardonnay leading to a long, lingering finish.

Ready for drinking now, but evolving over the next 5–10 years.

*Jonkershoek Cabernet Sauvignon, 2018 (750ml)*  
100% Cabernet Sauvignon

A single vineyard, small batch, whole-berry fermentation was initiated in a stainless steel tank. The grapes underwent a series of punch-downs and pump-overs until dry. No barrels were used maturing this wine, a pure expression of Cabernet Sauvignon from the Jonkershoek Valley.

**TASTING NOTES**

Intense dark colour. The nose shows restraint, with aromas, of cassis and cedar, so typical of the Jonkershoek Valley. The palate is nervous and fresh, followed by fine, dense and tight tannins. A wine that is built to last.

*The Gris Sémillon, 2021*  
(750ml) 100% Sémillon Gris

62 years ago, Chubby Checker popularised The Twist, the first weather satellite was launched, Albert Camus died, Bono was born, the laser was invented, JFK was elected US president, a loaf of bread cost 9 cents, To Kill A Mockingbird was published, South Africa was not a republic, the first animals were successfully sent into Earth's orbit and back, the heart pacemaker was invented and these heritage vines were planted in the Swartland.

**VINIFICATION**

Planted in 1960, this extremely rare, dry-farmed Sémillon Gris heritage vineyard on the granite soils of the Paardeberg was hand-picked and fermented naturally in two barrels, left on the lees, unsulphured until bottling.

Try this wine while listening to ‘Stay’ by Maurice Williams, written in 1960.

*CWG Daniel's Legacy, 2020*  
(750ml) 60% Touriga Nacional, 20% Shiraz, 10% Cabernet Sauvignon, 10% Tinta Barocca

In celebration of Oupa Danie's folly of mistakenly planting Tinta Barocca in place of Shiraz, after his sojourn to the Swartland in the early 70s in an old Chevy El Camino, which set Boplaas on a path of crafting fine fortifieds and Portuguese table wines in the Cape. Blending the finest barrels of Tinta Barocca, Touriga Nacional, Cabernet Sauvignon and Shiraz originating from low-yielding old vines and traditional vinification has created a fulsome, buxomly-fruited and age-worthy auction offering.

**TASTING NOTE**

Bright garnet-red wine, black hedgerow fruits, tart cranberry, ripe plum notes, spice and fynbos. This wine only reveals its true underpinnings with time in the glass and tempts one to return for more.

(750ml) 60% Cabernet Sauvignon, 30% Shiraz, 10% Cinsault

The grapes are hand-picked in the cool of early morning. Ferments are meticulously monitored during fermentation to ensure that all the natural aromas and flavours are preserved and highlighted as required. Each variety is maturated separately (micro-vinified) in oak barrels before blending and eventual bottling.

TASTING NOTES

Raats Family Wines

The Fountain Terroir Specific Chenin Blanc, 2021

(750ml) 100% Chenin Blanc

This wine is an expression of Bruwer Raats’ lifelong passion for, sustained focus on and commitment to master Chenin Blanc. This single barrel was created exclusively for the CWG Auction, using sustainably farmed vines from our premier trellised Chenin Blanc block in Stellenbosch’s Polkadraai Hills. Hand-harvested, we reserve the best three rows from our Volstruisfontein vineyard, grown on decomposed dolomite granite, to produce three barrels. From these three barrels we select the best barrel to represent what we consider our finest expression of Chenin Blanc. Vinification is done in small batches using minimum intervention. The wine is fermented and matured in 300 litre French oak barrels (third fill) for 11 months to accentuate soft and luscious flavours.

TASTING NOTES

The aromatics are opulent, showing quince, yellow apple and mandarin orange, with ginger spice adding dimension alongside mineral intensity. The stone fruit character follows through, adding balance, chalky minerality and great acidity to give incredible intensity, a harmonious balance and long piercing finish.

**David Finlayson Wines**  
*Edgebaston Cabernet Sauvignon Reserve, 2017*

(750ml) 95% Cabernet Sauvignon, 5% Cabernet Franc

Made from grapes picked off the clay-heavy section of our prestige GS vineyard; these grapes were picked five days earlier than the rest of the vineyard. They were fermented in a small 1.5 ton fermenter and punched down three times a day. After 21 days on skins, they were matured in new French oak for 24 months. A small percentage Cabernet Franc was added to the barrels to soften the tannin structure and add a twist of difference to the usual CWG wine which has always been 100% Cabernet Sauvignon.

**TASTING NOTES**

Typical of the house style, a big, iron-fisted style Cabernet Sauvignon with boysenberry and cassis on the nose. Ripe bramble, cassis fruit with a touch of vanilla oak and solid tannins on palate.

De Trafford

Perspective, 2020

(750ml) 50% Cabernet Franc, 25% Cabernet Sauvignon, 25% Merlot

*The Game Changer Cabernet Franc – Merlot, 2017*

(750ml) 80% Cabernet Franc, 20% Merlot

The grapes are grown on the Helderberg mountain on north-facing slopes. Both varieties ripened during February and were harvested during the morning. In the cellar they were rigorously sorted before whole berry fermentation in open fermenters. During the first half of fermentation we pumped over and punched down three times a day and afterwards, only twice a day. After pressing, malolactic fermentation in barrels. Blending was done after 12 months with a further six months maturation before bottling.

**TASTING NOTES**

Perfume, glazed red cherries and fresh raspberries with hints of graphite on the nose. The palate has a soft entry, elegant spicy mid-palate, red fruit power and finishes with a chalky edge.

Early morning hand-picked grapes from Darling were crushed, left for 18 hours of skin contact, whereafter the extraction of the juice took place. After that, settling and then racking took place. The juice was barrel fermented and the wine had 130 days contact with oak whilst lees stirring was applied. The wine was then stabilised and bottled.

**TASTING NOTE**

Lemon zest, coriander leaves, and green capsicum are presented to the taster. Focused with superb intensity and medium-bodied, with a multi-dimensional palate. Older oak adds complexity and gravitas.

**Newton Johnson Family Vineyards**  
*Windansea Pinot Noir, 2020*  
(750ml) 100% Pinot Noir

This is a bare-bones glimpse of Windansea, the power dimension to Pinot Noir on our farm. In the stoniest and most clay-rich of our granite soils, the bunches were selectively picked by the family for this small cuvée. Made without sulphur in the winemaking, allowing diverse micro-organisms from the grape itself to flourish unrestrained in the fermentation, enhancing complexity. 11 months’ maturation with a further six months’ élevage in large oak. Unfiltered, it will age over many years in bottle.

**TASTING NOTES**

A lavish wine, saturated with blackberry, liquorice and rich red currants. Lingering impressions of soft spice and freshly turned earth. Bountiful and seamless tannin texture in to a chalky finish.

**Ataraxia**  
*Under the Gavel Chardonnay, 2021*  
(750ml) 100% Chardonnay

This forward looking ‘black’ Chardonnay is sourced from a single, organically grown, cool, south-facing vineyard. It revives a centuries-old traditional Burgundian winemaking method now seldom used. Fruit is vigorously, even harshly worked; juice that is so excessively aerated that it turns to an ebony colour at the press; then a thorough, aerated pump-over before settling. Spontaneous fermentation occurred in custom ordered Burgundian barrels, followed by 10 months’ ageing before being bottled.

**TASTING NOTE**

A pure articulation of Ataraxia’s ‘dirt’, this sublime wine effortlessly balances fruit intensity with mineral acidity. A touch of ‘grip’ on a lingering finish deftly rounds off this stylish wine.

Trifecta Chenin Blanc, 2020

(750ml) 100% Chenin Blanc

This wine hails from Mullineux's top three Chenin Blanc vineyards planted on three soil types: GRANITE, SCHIST and IRON. ‘Oh, to capture just one drop of all the ecstasy  
That swept that afternoon  
To paint that love upon a white balloon  
And fly it from the toppest top of all the tops that man has pushed

*Fluister Pinot Noir, 2021*  
(750ml) 100% Pinot Noir

From the incomparable, cool Hemel-en-Aarde terroir. Dedication, attention to detail and the appreciated support of fellow wine companions resulted in a work of art which I am proud to put my name to. From the Hemel-en-Aarde Valley, the capital of Pinot Noir in South Africa. Harvested on the historic 2nd of February, when Jan van Riebeeck harvested his first grapes in 1659, and also my son and fellow winemaker, Pieter Willem’s birthday.

Heirloom Shiraz, 2020

(750ml) 100% Shiraz

Grapes from a 25-year-old Shiraz block were hand-picked at 23,5 Balling, with 16% whole bunches added to a concrete fermentation tank. Cooler fermentation was followed, by extended skin maceration lasting 22 days. The young wine was immediately transferred to 500 litre barrels to allow malolactic fermentation to complete in oak. New French oak comprised 60% of the final blend with 40% second fill. After a total of 18 months in barrel, the wine was bottled specially for the auction.

TASTING NOTE

Deep red colour with dark fruit and spices on the nose. The palate is rich but balanced with a long, savoury aftertaste.

De Trafford

*Ou Kopland Chenin Blanc, 2021*

(750ml) 100% Chenin Blanc

A 39-year-old bush vine block on the top of the Bottelary Hills on crumbly shale soil. Picked in the cool early morning and lightly squashed and left for a couple of hours skin contact before pressing in a traditional wooden basket press and barrel fermented in neutral oak. Matured for 10 months and the best 400 litre barrel was selected for this auction wine. No yeast or acid added, and the wine was bottled unfiltered.

TASTING NOTES

Deep, vibrant straw colour. Still rather closed and takes a while to evolve in the glass. Dense mineral fruit on the palate. A wine that will unfurl over many years.

Ready for drinking in 2023.

Newton Johnson Family Vineyards

*Sandford Chardonnay, 2020*

(750ml) 100% Chardonnay

The best quality juice fraction is whole bunch pressed directly to barrel without prior settling. The fermentation is spontaneous and no sulphur is used in the winemaking, allowing diverse micro-organisms from the grape itself to flourish unrestrained in the fermentation. Matured for 11 months in barrel (35% new) produced in Burgundy and custom made for this vineyard, with a further 5 months’ élevage in old oak. No fining. Coarse filtration and sulphur adjustment was applied before bottling.

TASTING NOTE

Elaborate layers of green and ripe lime fruit juxtaposed with white flowers, baking spice, crushed stones and gunflint. The plush and compact texture is prolonged with vitality in the finish.

Ready for drinking now and for the next 10 years.

**Raats Family Wines**

*Stella Nova Cabernet Franc, 2018*

(750ml) 100% Cabernet Franc

This wine is an expression of Bruwer Raats’ lifelong passion for, sustained focus on and commitment to master Cabernet Franc. This single barrel was selected exclusively for the CWG Auction from sustainably farmed vines dominated by fruit from a block high on the granite slopes of Vlaeberg Mountain in Polkadraai Hills Stellenbosch. The block overlooks both Table Bay on the north side and False Bay on the south side of the mountain, allowing for cool air to circulate the vines continuously. Hand-harvested with vinification in small batches using optimally ripe grapes, we select the best barrel from the vintage to represent what we consider our finest expression of this variety. The grapes are hand-sorted three times, crushed and left to cold soak on the skins for five days, before we basket press the grapes and allow the wine to undergo malolactic fermentation in stainless steel tanks and then aged for 18 months in 225 litre French oak barrels.

**TASTING NOTES**

A superbly refined Cabernet Franc, the wine has a very engaging nose which entices with its perfume of rosemary, spicy notes of nutmeg, cloves, star anise and an intense brooding blackberry fruit. The palate is medium-bodied with supple tannins and a harmonious finish. There is a beguiling purity to this wine and it will age supremely well.

Drink 2024 until 2030 and beyond.
