The Nedbank Cape Winemakers Guild Development Trust

Being recognised as industry leaders also kindles responsibility for promoting quality through continuous learning and education, and as a result, the CWG is the first organisation in South Africa to create a foundation for diversity and inclusivity in the South African wine industry.

Since the formation of the Guild's Development Trust in 1999, it has been a part of the Guild's journey to support meaningful transformation in the wine industry. Through this Trust, the CWG empowers farm employees through further education. Through its Protege Programme, the CWG nurtures and mentors recently-graduated winemakers from historically disadvantaged backgrounds so that they can become leaders and role models within the South African wine industry.

The projects are wholly funded by CWG Charity Auctions and donations from outside organisations. To support the Protégé Programme, please participate in the Online Protégé Programme Auction, running from Tuesday 10 September to Monday 7 October, closing from 18:00 at www.straussart.co.za.

Protégé Programme

Since the inception of the Protégé Programme in 2006, 36 Protégés have completed the three-year internship and 9 are currently participating in this ongoing programme. Of those who have graduated, 18 now either hold leading winemaking roles or have their own winemaking projects.

The CWG has become a unique institution in the way all 41 members remain involved in this uplifting initiative, providing mentorship to ensure that both the industry standards and the values of the CWG exceed all expectations and are maintained by new talent and the future policymakers.

Billy Hofmeyr Agri Seta Bursary

The Guild has been able to provide 48 bursaries for promising final year students at Elsenburg College and Stellenbosch University between 2009 and 2024. The aim is to identify potential Protégés and encourage the bursary students to apply for the Protégé Programme when they graduate.

Wine Training South Africa

From 2014, the Guild has financially supported Wine Training South Africa so that they could have their courses SETA accredited. A total of 3776 employees within the wine industry have participated in the numerous courses offered by Wine Training South Africa between 2015 and 2024 alone.

Mullineux

Swartland “The Gris” Old Vines Sémillon 2023

100% Sémillon
Wine of Origin Swartland

Winemaker **Andrea Mullineux**

Now extremely rare, Sémillon Gris is a remarkable and historically significant variety with an exceptional presence in South Africa’s pre-phylloxera winemaking tradition, accounting for 40% of all plantings in the early 1800s. With only a few parcels of Sémillon Gris left today, this particular vineyard was established in 1960 on the granite slopes of the Paardeberg and is a living legacy of this historic variety. To preserve its heritage, we took cuttings which underwent a meticulous ten-year re-propagation process through a nursery and subsequently planted the country’s first official Sémillon Gris vineyard on Roundstone, our regenerative organic estate in the Swartland.

Tasting Notes:

*“Un bel dì, vedremo levarsi un fil di fumo
sull’estremo confin del mare
E poi la nave appare.”*

“Un bel dì vedremo” from Puccini’s opera “Madama Butterfly” expresses emotions of hope, anticipation, and determination to wait faithfully despite the passage of time and the challenges faced. I see this echoed in our demonstration of devotion to South Africa’s viticultural heritage through the preservation and official propagation of Sémillon Gris.

Erika Obermeyer Wines

Silver Linings 2022

66% Syrah, 17% Grenache Noir, 12% Cinsault, 5% Cabernet Sauvignon
Wine of Origin Coastal

Winemaker **Erika Obermeyer**

Vintage 2022, a cool season where moderate weather conditions during harvest slowed down ripening, leading to red wines characterized by good acidity, colour, and tannin structure. These conditions resulted in concentrated wines with vibrance, elegance, and exceptional cellaring potential. Syrah brings forth fresh red berry fruit, spices, and structure, while Grenache contributes fresh fruit, elegance, and structure. Cinsault adds brighter fruit, acidity, and freshness, complemented by a dash of Cabernet Sauvignon, which enhances complexity, structure, and length.

Tasting Notes: Intense and concentrated, beautifully balanced with an alluringly perfumed nose. Multi-dimensional and multi-layered, the palate delivers a textured mouthfeel with silky smooth tannins and a fresh finish.

Cederberg

CWG Auction Chenin Blanc 2023

100% Chenin Blanc
Wine of Origin Cederberg

Winemaker **David Nieuwoudt**

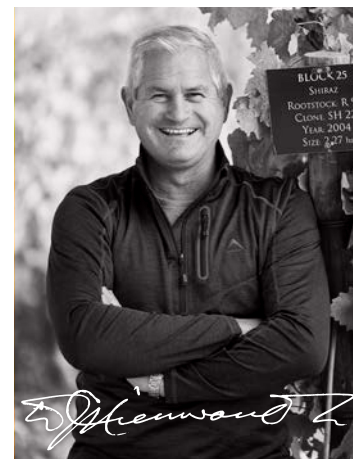

This wine is produced from the 23-year-old Five Generation Chenin Blanc block and shows remarkable winemaking finesse. Naturally fermented in concrete egg and aged on its fine lees for 10 months.

Tasting Notes: This wine boasts a palest yellow colour with brilliant luminosity and a perfumed nose that reveals heady white blossoms, summer-ripe pears, crushed pineapple, and a defined citrus lime edge. On the palate, the wine is chiselled with pure fruit and a sense of weightlessness, unveiling additional notes of preserved ginger and crushed green peppercorns. This intriguing wine is celebrated for its purity and linearity, concluding with a succulent, savoury lemon/lime cleansing finish.

While it shows beautifully now, it will reward those with patience for many years to come. To fully appreciate its complex aromas, be mindful not to serve it too cold and use a larger glass.

Wine of Origin Bot River

Winemaker **Sebastian Beaumont**

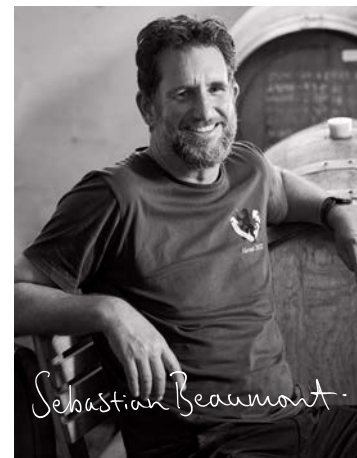

GG's Vineyard, planted in 1974, is the oldest Chenin vineyard on the farm. The name "GG's" derives from three different sources: the previous owners, Govender and Geffen, who started making wines on the farm in the 1940s, and as a playful nod to the German GG classification. This vineyard is a key component, contributing 50%, to our Hope Marguerite wine.

Kershaw Wines

Ziggurat Chardonnay 2023

100% Chardonnay
Wine of Origin Hemel-en-Aarde Ridge

Winemaker **Richard Kershaw MW**

The grapes for this wine are carefully sourced from a specific block in the Hemel-en-Aarde Ridge. It is crafted exclusively from clone CY548, renowned for imparting stony, meaty, and robust flavours to the wine. After being hand-picked and whole bunch pressed, the grapes undergo a wild fermentation process. Following this, the wine is aged for 12 months in Burgundy-coopered barrels and is meticulously assessed every eight weeks. With its low sulphite content, it qualifies as a natural wine, yet its extract and low pH levels enable it to age gracefully over the medium term.

Tasting Notes: A mid-lemon hue with prominent ripe orange and tangerine notes enveloped in distinct oaky spices with a floral twist. Slowly, the wine reveals more citrus and stewed peach, which add allure. The palate is penetrating with remarkable purity and focus. There's an impressive depth to the mid-palate, supported by a line of horizontal bracing acidity that adds structure. A more linear style, the wine has intensity and precision with flavours of peach, lemon, smashed almond and cashew nut with a lighter oak influence. Its long and precise finish is characterized by a chiselled elegance, and the wine closes with a juicy and impactful impression reminiscent of stewed quince. It will reward cellaring.

Strydom Family Wines

The Game Changer Cabernet Franc-Merlot 2020

83% Cabernet Franc, 17% Merlot
Wine of Origin Stellenbosch.

Winemaker **Rianie Strydom**

For three years running, this blend has remained the sole offering of its kind at auction, underscoring its rarity and exclusivity. Bottled from one 300-litre barrel, this wine is crafted exclusively for the CWG auction, emphasizing its limited production. Inspired by a vintage spent in St Emilion, France, during my early winemaking career, I sought to replicate the essence of the Merlot/Cabernet Franc blends prevalent in the region, utilizing varieties I hold in high esteem. With only 240 bottles available, this wine epitomizes scarcity and distinction.

Tasting Notes: The blend of these two varieties makes for a full-bodied wine with a balanced acidity and smooth finish. Cabernet Franc adds red fruit flavour and spice, while Merlot adds black fruit and chocolates.

Ataraxia

Under The Gavel Chardonnay 2023

100% Chardonnay
Wine of Origin Hemel-en-Aarde Ridge

Winemaker **Kevin Grant**

This single vineyard Chardonnay, crafted entirely from organically farmed grapes, is once again made using the almost forgotten Burgundian “black” winemaking technique. It was fermented spontaneously in custom-ordered Burgundian barrels, and without allowing the secondary malolactic fermentation to occur, thus lending an arrestingly vibrant weight to the palate. The absence of bâtonnage adds focus and precision. It was bottled after 11 months of maturation.

Tasting Notes: An extraordinarily individual and accurate interpretation of Ataraxia’s “dirt”, this sublime wine effortlessly balances fruit intensity with minerally acidity. A wine of pedigree and style.

CWG Paul Sauer 2021

70% Cabernet Sauvignon, 17% Merlot, 13% Cabernet Franc
Wine of Origin Simonsberg-Stellenbosch

Winemaker **Abrie Beeslaar**

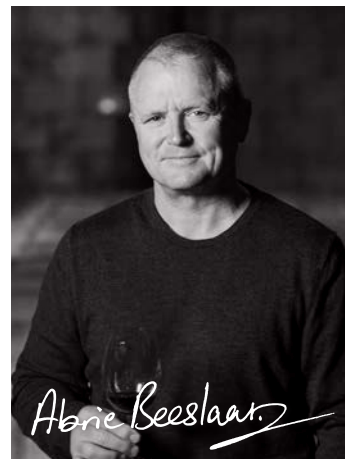

The Paul Sauer stands as one of South Africa's pioneering Bordeaux-style blends, crafted from grapes harvested from 30-year-old vines that yield just 2 to 5 tons per hectare. During fermentation, traditional manual punch-downs were meticulously carried out in open-top fermenters. Following fermentation, the wine was aged in 100% new French oak barrels for a period of 24 months, allowing it to develop complexity and depth. Notably, the Paul Sauer made history as the first South African wine to achieve a perfect score of 100 points from esteemed wine critic Tim Atkin, further solidifying its status as a benchmark in the country's winemaking landscape.

Leeu Passant

Franschhoek Hillside Cabernet Franc 2022

100% Cabernet Franc
Wine of Origin Franschhoek

Winemaker **Andrea Mullineux**

This single vineyard Cabernet Franc represents only the second release from this exceptional site we established upon the inception of Leeu Passant a decade ago. Planted stok-by-paaltjie on the east-facing slopes of Leeu Estates, this vineyard benefits from the cooler morning sun and long, slow ripening period. At the feet of the vines, protecting the the steep, terraced slopes, we have planted a permanent cover crop of diverse fynbos species, providing a distinct environment for the vineyard to thrive, express terroir and for nature to be integrated via these indigenous corridors.

Tasting Notes:

*"Casta Diva, che inargenti
queste sacre antiche piante,
a noi volgi il bel sembiante
senza nube e senza vel."*

"Casta Diva" the aria from the Bellini opera "Norma", is a passionate call to the Goddess of the Moon for tranquility and harmony, two characteristics that I want one to experience when drinking this profound wine from a stunning vineyard.

To enjoy the gorgeous fragrance of this Cabernet Franc, decant if the time it requires in bottle is not an option.

Erika Obermeyer Wines

Fields of Gold 2021

70% Cabernet Sauvignon, 30% Syrah
Wine of Origin Stellenbosch

Winemaker **Erika Obermeyer**

At the foot of the Helderberg, Firgrove vineyards benefit from unique decomposed granite soil that nurtures the vines by allowing roots to access water and nutrients gradually during ripening. The proximity to the cold Atlantic Ocean ensures slow ripening, while persistent winds control vine vigour, resulting in small, concentrated berries with ripe tannins. The combination of Bordeaux and Rhône grapes merges their distinct virtues into a wine that, at its best, is greater than the sum of its parts.

Tasting Notes: Alluring nuances of concentrated red and black fruit, tilled earth, cedar wood, dried herbs and oak spice. The palate shows intensity and depth underscored by chalky ripe tannins and a savoury finish.

The wine intricately tells the story of the unique terroir of the Polkadraai Hills, characterized by decomposed Dolomite Granite soil. From this block, only a small portion, consistently identified as the best, is selected to craft one barrel exclusively for CWG. The maiden vintage of Stella Nova Cabernet Franc was produced in 2017.

Tasting Notes: The nose entices with its perfume and a garrigue character of Cape fynbos, rosemary, lavender, and thyme with spicy notes of nutmeg, cloves, star anise and intense brooding blackberry fruit. The palate is medium-bodied with supple tannins and a harmonious finish. There is a beguiling purity to this wine and it will age supremely well.

Ready for drinking in the next 10 years.

Miles Mossop Wines

Saskia-Jo 2022

85% Chenin Blanc, 15% Clairette Blanche
Wine of Origin Swartland

Winemaker Miles Mossop

This wine is an authentic expression of old bush-vine Chenin Blanc sourced from the Paardeberg in the Swartland region. To enhance complexity, a portion of Clairette Blanche from the same area is blended in. Both varietals thrive in the decomposed granite soils of the region, contributing to the wine's unique terroir-driven character. The Chenin Blanc vines boast an impressive age of 51 years, while the Clairette Blanche vines are 43 years old. During fermentation, the Chenin Blanc undergoes the process in an older 400-litre French oak barrel, while the Clairette Blanche ferments in a concrete egg.

Tasting Notes: White and yellow peach, fennel bulb with hints of citrus blossom emanate from the glass. The palate bursts with stone fruit flavours leading to a crisp saline and pithy finish.

This Merlot stands as South Africa's most scarce and expensive. It marks the second and only 100% terracotta clay amphora-aged red wine to feature on any CWG Auction, following the precedent set by the 2020 vintage. The wine spent 18 months maturing in a hand-made, 400-litre imported Italian clay amphora, imparting unique character and depth. Selected from Hartenberg's very best site for the varietal, each bottle embodies the essence of excellence and distinction.

Tasting Notes: Vibrant black fruits entice the senses followed by subtle savoury undertones. With remarkable consistency, the weighty palate confirms the dense fruits while dry tannins and acidity add vitality.

After blending in June 2023, the wine matures until March 2024, spending a total of 12 months in barrel.

Tasting Notes: A Sauvignon Blanc-led white blend, with gooseberry and black currant nose, hints of fig leaf, followed by spice from barrel ageing with hints of lemon from the Sémillon and a creamy, long finish.

CWG Pinotage 2021

100% Pinotage
Wine of Origin Simonsberg-Stellenbosch

Winemaker **Abrie Beeslaar**

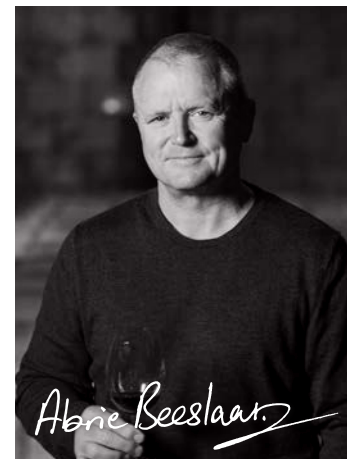

Kanonkop is a pioneer among Pinotage producers in the Cape. This wine was crafted from 53-year-old dry land bush vines, with low yields of 4-5 tons per hectare. During fermentation, traditional manual punch-downs were meticulously performed in open-top fermenters. Following this process, the wine matured for 18 months in 100% new French oak barrels.

Tasting Notes: Deep red colour with aroma of plums, blackcurrant and mocha. The palate is structured with dark fruit and sweet spice notes. The wine has a dry, mouthwatering finish.

Lot 601: Adi Badenhorst - AA Badenhorst Family Wines

A 1.5 litre bottle of AA Badenhorst Kalmoesfontein Red 2016

The AA Badenhorst Kalmoesfontein Red Blend 2016 is a remarkable wine crafted by the Badenhorst family from the Kalmoesfontein farm in the Swartland region of South Africa. This multi-variety blend features Syrah, Cinsault and Grenache Noir, resulting in a captivating combination of flavours.

Lot 602: Kevin Grant – Ataraxia

6 x 750ml bottles comprising two bottles from each of the first three vintages of Ataraxia's black Chardonnay: 2020, 2021 and 2022

Kevin discovered the “black” method of making Chardonnay in 2020, igniting a passion for this almost forgotten Burgundian technique. He now uses it for all vintages of Ataraxia's signature white wine, infusing his ongoing love affair with Chardonnay with a newfound spice.

This method contrasts sharply with modern winemaking practices, eschewing sulphur dioxide and inert gases for aggressive grape crushing and extended aeration. Despite its extreme nature, the results are serene and languid, promising complexity akin to magnificently aged Chardonnays.

The true test of the black method lies in the future, with Ataraxia's Chardonnay vintages holding the promise of reward for careful cellaring, potentially maturing into beautifully regal wines over a decade or more.

This wine is packed in a wooden box.

Lot 603: Bartho Eksteen - Bartho Eksteen Wine Estate

Bartho se Afrikaanse boksie – 6 x 750ml collection of Bartho Eksteen wines

1 x Bartho Eksteen HOUTSKOOL Flagship Sauvignon Blanc (wooded) 2023 | 1 x Bartho Eksteen GROEPSDRUK Flagship SMGV 2021
1 x Bartho Eksteen FLUISTER Flagship Pinot Noir 2022 | 1 x Bartho Eksteen PROFESSORE Flagship Cape Blend 2022
1 x Bartho Eksteen OUSKOOL Signature SMGV 2020 | 1 x Bartho Eksteen DOM Cap Classique 2020

I have been asked this question many times: "How are you going to market your wines in Afrikaans to countries like Sweden, the USA and Denmark who have never even heard the language, with names like DOM, HOUTSKOOL, GROEPSDRUK, FLUISTER, PROFESSORE, MEESTER, BLOM, OUSKOOL & SOETMUIS."

The answer is straightforward. When you want to buy the absolute best bottle of wine in France, Spain, Germany or Italy, you will only see their language on the label. Any other language is almost an indication that it is not their absolute best, and how many people for example in the USA can speak French or German?

THAT IS WHY WE DO IT IN THE "HOLY" LANGUAGE, AFRIKAANS

Lot 604: Sebastian Beaumont - Beaumont Family Wines

Lot 605: Reenen Borman - Boschkloof

6 x 750ml bottles, comprising 3 bottles of Epilogue Syrah 2022 and 3 bottles of Conclusion 2021

Epilogue 2022

We could not be more proud of the 2022 vintage of the Epilogue Syrah. It's a wine providing spice and perfumed aromatics. 60% of the wine is whole-bunch fermented and aged in cement, while the balance is destemmed and aged in new 400 litre French oak barrels.

This method adds texture and freshness, as well as a component of oak complexity in the final blend.

Conclusion 2021

Boschkloof Conclusion is a true expression of good grape quality and terroir. The wine was made as naturally as possible. On the nose, the aromas are blueberry, mixed herbs, bruised plum and some lovely cigar-box flavours. The wine is highly concentrated with a big, but elegant mid-palate and a long finish. This wine has great potential for ageing.

This collection is packed in a wooden box.

Lot 606: David Nieuwoudt - Cederberg

6 x 750ml bottles, comprising a vertical collection of CWG Cederberg Teen Die Hoog Shiraz (2018, 2019, 2020)

This vertical vintage collection of the venerated CWG Cederberg Teen die Hoog Shiraz comprises two bottles each of the 2018, 2019 and 2020 vintages contained in a wooden box. A wine followed each year by buyers from across the globe on the Cape Winemakers Guild Auction, the Teen Die Hoog Shiraz has performed consistently well since 2004, with the 2019 vintage achieving the distinction of fetching the top price on the 2021 Auction, making for a highly-covetable and exceptional lot.

The wine was named 'Teen die Hoog' by the workers on the farm because they see this elevated, south-easterly-facing vineyard as their toughest pick of the season. Each vintage the grapes are hand-harvested at optimal phenolic ripeness at the beginning of April after a long, slow ripening period.

This collection is packed in a wooden box.

Lot 607: David Sadie - David & Nadia

2 x 1.5 litre bottles of David & Nadia Elpidios 2019

This is the ninth vintage of the red blend from David & Nadia. The Elpidios started as a blend based on Syrah, and for a number of years it was based on Carignan. However, since the 2017 vintage, the aim of producing a Grenache noir (such a Swartland stalwart) based blend became a reality.

The 2019 vintage features 38% Grenache noir, 36% Syrah, 10% Pinotage, 9% Carignan and 7% Cinsaut. A portion of the Grenache noir as well as the Syrah was fermented and matured in concrete vessels and the rest of the wine matured in bigger, neutral French oak barrels as well as a 4 100 litre foudre. The wine was aged in bottle for 18 months before release.

Each bottle is packed in a wooden box.

Lot 608: David Finlayson - David Finlayson Wines

A 3 litre bottle of David Finlayson GS Cabernet Sauvignon 2017

This is a limited production wine made from a single clone of Cabernet Sauvignon planted on Edgebaston. It has a nose of cassis and blackcurrant fruit, complemented by fresh minty and herbaceous notes, with hints of mocha vanilla. The palate offers a broad mid-palate and long-lasting flavours of boysenberry and subtle sweet mulberry, merging with fresh vanilla and nutmeg spice on the finish.

The wine showcases firm structured tannins and a lengthy finish, indicating excellent ageing potential. Only two 5 litre, five 3 litre and 4000 750ml bottles of this wine were produced, making this bottle very rare and special. It has received accolades, including being named in the Top SA 100 and receiving a Double Platinum award at the National Wine Challenge.

This bottle is packed in a wooden box.

Lot 609: Charles Hopkins - De Grendel

3 x 1.5 litre magnum bottles, comprising one bottle of each of the following vintages of De Grendel Elim Shiraz: 2018, 2019, 2020

Virgin land in Elim, with a unique and sought-after Rotundone characteristic of delicate black pepper, was sourced and allocated specifically for the production of Shiraz. A small volume of selected fruit was used. 30% was left as whole clusters, open fermented in stainless steel tanks. Matured for 13 months in second and third-fill French oak barrels.

Only bottled in 1.5 litre magnum bottles, this special trilogy of vintages has all been awarded the highly recognized Platter's Guide 5-Star rating. Each bottle is packed in a wooden box.

Lot 610: David Trafford - De Trafford

A 1.5 litre bottle of Sijnn CWG Syrah 2011

In 2003 we purchased an extraordinary property near the mouth of the Breede River, near the village of Malgas and planted 14 different, mostly Mediterranean, varieties in an effort to find the most suitable in a region never planted with vineyards before. The Syrah has excelled as the backbone of our flagship blend. In 2011 we decided to bottle a few of the best barrels for the CWG Auction.

This Auction wine was a particular selection from very low-yielding bush vines on pure shale and slate 'soil'. Approx. 90% stone, 10% soil. Our soil scientist at the time of planting, the late Paul Feyt, advised us not to plant in this section of the vineyard, as the soil was too poor – a challenge we couldn't resist! Yield: 2 ton/ha (12 hl/ha).

It has now matured beautifully, but there is no rush to enjoy!

This wine is packed in a wooden box.

Lot 611: Morné Vrey - Delaire Graff Estate

3 x 1.5 litre signed bottles of Delaire Graff Botmaskop 2021

The Delaire Graff Botmaskop 2021 features rich cassis and spice aromas, intense liquorice and blackberry flavours on the palate, and delicate, lingering tannins. With an optimum ageing potential of between eight and 10 years, this multi-award-winning wine has achieved numerous accolades, including 95 points in the prestigious 2023 Prescient Cape Bordeaux Red Blends Report.

An elegant blend of Cabernet Sauvignon, Cabernet Franc, Petit Verdot, and Merlot, each grape received meticulous care on its journey from vineyards to glass, overseen at every stage by the Estate's highly experienced viticulture and viniculture artisans. The result is a wine unfolding with exquisite flavours that perfectly capture the intensity of the South African sunshine.

A piece of oenological history, these three magnums of Delaire Graff Botmaskop 2021 are signed by Winemaker Morné Vrey and presented in a wooden gift box.

Lot 613: Erika Obermeyer- Erika Obermeyer Wines

6 x 750ml bottles of Erika O Cabernet Sauvignon 2018

"I absolutely love working with Cabernet Sauvignon. It truly is the King of Grapes.

I love the precision you must apply throughout the process from vineyard to bottle.

It has gravitas, structure, complexity. If the grape is treated with respect, it will be powerful yet refined.

The magic of capturing the perfume of the complex aromatics of the grape, not over working the grape, to manage the tannins perfectly so they add a velvety finish to the wine, it all is a balance and a true art and can only be achieved with a level of understanding and experience."

Erika Obermeyer

Firgrove vineyards, at the foot of the Helderberg, nestled between Somerset West and Stellenbosch, boast prime conditions for Cabernet Sauvignon, renowned globally for its quality. The unique soil of decomposed granite nurtures the vines, allowing roots to access water and nutrients in slow release during ripening.

Proximity to the cold Atlantic Ocean ensures slow ripening, while persistent winds control vigour, yielding small, concentrated berries with ripe tannins. A blend of fruit from 20-year-old and 9-year-old vineyards, this Cabernet embodies complexity with aromas of red and black fruit, earthy notes, and cedar. The palate is intense with chalky tannins and a savoury finish, offering a rich, balanced, and focused wine, showcasing Firgrove's terroir excellence.

Lot 614: Louis Strydom - Ernie Els Wines

3 x 750ml bottles, comprising a vertical collection of Ernie Els Signature from the following vintages: 2013, 2014, 2015

An exclusive 3-bottle limited release vertical collection, packed in a special gift box, featuring our flagship Bordeaux Blend Ernie Els Signature 2013, 2014, and 2015 vintages.

With auspicious beginnings as our maiden vintage in 2000, this iconic Bordeaux-style blend comprises the classic cultivars: Cabernet Sauvignon, Merlot, Cabernet Franc, Malbec and Petit Verdot.

All grapes are exclusively grown on the property, benefiting from the soil-rich, north-facing Helderberg slopes worthy of the prominent Stellenbosch appellation. Each variety is separately managed to contribute unique and varied flavour profiles to the consummate blend.

Dark at the core with a crimson rim, it is full-bodied, elegantly endowed and finely poised. The new oak is well-integrated into a richly concentrated palate, framed by dry, yet soft tannins with complex aromas and flavours. There is ample structure and depth for this wine to age effortlessly for a decade or more.

Top 10 South African Red Blend over the past 10 Years - 2018 SA Wine Cellar Classification.

Lot 615: Gottfried Mocke - Gottfried Mocke Wine Projects

A 3 litre bottle of Boekenhoutsklouf Syrah 2013

Our Syrah has been sourced from a single vineyard in Wellington since 1998. The vineyard was planted in 1993 on a southeast-facing slope to maximize the cooling effect of the prevailing easterly wind. The site yields an unmistakable character of delicate violet notes and an underlying spiciness from the decomposed granite soils. For this vintage, we used Syrah planted at Porseleinberg. The Porseleinberg site produces components with wonderful freshness, spice, and structure that will take the longevity of the Boekenhoutsklouf Syrah to even greater heights.

In 2013 the fruit was harvested over an entire month starting at Porseleinberg on February 8th (reaching phenolic ripeness 14 days earlier than the vineyards in Wellington). The complexity of this wine benefits from the diversity in grape composition from the nine different picks. This vintage will be remembered for being particularly late and slow. Prolonged winter conditions continued until September, followed by a cool spring, which delayed bud burst. Ideal weather conditions during the harvest season, moderate day temperatures, and cool nights had a positive impact on fruit quality and establishing good colour and flavour.

The fruit was kept in the cold room overnight before being sorted and crushed into concrete fermenters. 20%-30% whole bunches were put into the bottom of the tank of some batches to emulate the effect of carbonic maceration. After four days of cold soaking, the fruit was allowed to naturally ferment for two-and-a-half weeks with the temperature peaking at 28°C. During fermentation, the wine underwent délestage two to three times per day, but pigéage was rarely done. A post-fermentation maceration took place for seven days before the wine was pressed into second-fill Saury barrels where it underwent malolactic fermentation. After 18 months in barrel, the wine had a light egg white fining before spending a further eight months in oak. Half of the blend was matured in two older 2 500 litre French oak foudre for the final 8 months. 1035 cases were bottled.

This wine is packed in a wooden box.

Lot 620: Abrie Beeslaar - Kanonkop

6 x 750ml bottles of Kanonkop CWG Pinotage,
from the vintages: 2013, 2014 2015, 2016, 2017, 2018

The Kanonkop CWG Pinotage is a selection from mainly the older bush vine vineyards on Kanonkop. These vineyards have yields as low as 3 tons/ha.

We make the wine in traditional open-top fermenters, with two-hourly punch-downs through the night. The wine is aged in new French oak barrels for 20 months.

This flight of wine will give you the opportunity to delve into vintage variations from 2013 through the drought years, and also the classic 2018 vintage. You can also experience the evolution of this National Treasure, Pinotage.

Lot 621: Alex Starey - Keermont Vineyards

A 1.5 litre bottle of Keermont Vineyards Single Vineyard Series Pondokrug Cabernet Franc 2016

Alex has always loved the fruit coming from this small block of Cabernet Franc. He has been using it in the estate red blend since 2011. In 2014 he decided to certify and bottle it as a single vineyard wine under the name Pondokrug. Pondokrug translated, means ridge with a hut on it. The name was found on an old map. Historically, the area where Keermont lies was grazing land and we assume that a shepherds' hut or kraal was located on this part of the mountainside.

This wine also forms an important component in the Alex's auction wine, 'Where Mountains Meet' and our flagship blend, 'Keermont Amphitheatre'.

This 1.8-hectare parcel of top-notch Cabernet Franc lies on a 380m ridge on the cooler, west facing Stellenbosch Mountainside of the farm. It was planted in 2006 and is surrounded by beautiful indigenous fynbos. It is exposed to many natural elements resulting in very low yields. The berries are small and concentrated, which turn into a concentrated, intense wine with unique flavours and a solid tannin structure.

The Pondokrug Cabernet Franc 2016 is complex and intriguing with tight, grainy tannins with a long, succulent and fresh finish. Drink now to 2035.

Lot 622: Richard Kershaw - Kershaw Wines

2 x 1.5 litre bottles of Kershaw Deconstructed Groenland Bokkeveld Shale SH9c Syrah 2016

Groenland Bokkeveld Shale SH9c, sourced from a single parcel in the northern part of Elgin. The 9c clone, when planted in cooler areas, is known to produce wines that are well scented, delicately balanced and savoury. Medium in weight, lively in acidity with fine-grained tannins. This clone shows a purity of fruit with flavours towards white pepper, violet/lavender, Victoria plum and iodine. The Bokkeveld Shales tend to amplify the perfume, and give density to the structure, whilst adding freshness and precision to the wine.

These wines are packed in wooden boxes.

Lot 623: Christo le Riche – Le Riche

A 1.5 litre bottle of Le Riche Reserve Cabernet Sauvignon 2013

The coveted Le Riche Reserve Cabernet Sauvignon is the flagship of our range, blended using only Cabernet Sauvignon grapes from the best performing vineyard in Stellenbosch. These selections are micro-vinified in open-top concrete fermenters with extended maceration of the berries and aged in oak to increase the overall age-ability of the wine.

This 2013 vintage Magnum is approaching its drinking prime but can be aged for a further 10+ years.

This wine is packed in a wooden box.

This wine is made with the utmost care and attention to detail. It is a modern expression of a classic Bordeaux-style blend from Stellenbosch.

The vineyards are selected based on the age of the vines and site from various parts of Stellenbosch. Each site is chosen for its pure expression of the variety and clone best suited to its terroir for its ultimate contribution to the final blend. The vineyards are older, unirrigated and all low-yielding, giving a pure expression of its environment in the wine.

These bottles are packed in wooden boxes.

Lot 627: Andrea Mullineux - Mullineux

3 x 1.5 litre signed bottles of Mullineux GRANITE Syrah, vintages 2014, 2015 and 2016

MULLINEUX SINGLE TERROIR | SINGULAR WINES FROM A PLACE OF ANCIENT SOILS

Mullineux GRANITE Syrah 2014, 2015, 2016:

The wines in the Single Terroir range truly encapsulate Mullineux's long-term goal of respecting and expressing the unique terroirs of the Swartland. These cuvées are only bottled in the vintages that we believe combine the most classic and consistent expressions of the Swartland with balance and class and they therefore also have phenomenal ageing potential.

The fruit for our GRANITE Syrah hails from bush vines planted in the decomposed Granitic soils of the Paardeberg and this wine has become our Single Terroir red most synonymous with gorgeous perfumed aromatics, freshness and length. These characteristics are mainly driven by each vine having to work intensely hard to get to the water source seated deep within the GRANITE structure.

These wines will age at least 25 years from date of vintage.

Lot 628: Warren Ellis - Neil Ellis Wines

A 3 litre bottle of Neil Ellis Wines Cabernet Sauvignon Jonkershoek Valley 2018

Wine is both an art and a science. For the winemaker, it is a meeting of the heart and mind. Technology vs Tradition in trying to find a medium where the two can co-exist.

2018 Jonkershoek Cabernet is inspired by the George Spies Cabernets of the 60's. This is an unoaked Cabernet Sauvignon. A true reflection of terroir from the Jonkershoek Valley Stellenbosch at its finest!

This wine is packed in a wooden box.

Lot 629: Gordon Newton Johnson - Newton Johnson Family Vineyards

A 3 litre bottle of Newton Johnson Family Vineyards Pinot Noir 2020

The Family Vineyards Pinot Noir is the archetype of our farm, having evolved from the vineyard sites with the most repute and refinement. Through the years, every aspect of these vineyards has been detailed and fine-tuned to illustrate their authenticity, and this wine is the embodiment of our relationship with this farm. This finely structured wine combines youthful, sweet red-fruited prettiness with some intriguing forest floor-driven aromatics which have slowly started to appear after a year in bottle.

This wine is packed in a wooden box.

Lot 630: Andries Burger - Paul Clüver Family Wines

3 x 1.5 litre bottles of Seven Flags Pinot Noir 2016

Seven Flags is the designation for our top-of-the-range wines from our Elgin property Paul Clüver Estate. The Pinot Noir 2016 is made from selected Burgundian clones. Fermentation began spontaneously before inoculation with selected Burgundian yeast. Maturation for 11 months in 20% new French oak.

Andries believes that the essence of a great Pinot noir is the purity of fruit and balanced acidity which gives structure to the wine. This wine has this essence, substantiated by its natural acidity.

This is a very well-defined wine with amazing poise, the colour is alluring and luminous. The aroma has a wonderful, elegant red and dark fruit expression, ending with lovely floral notes. All these flavours follow through on the palate with some savoury notes as well. The palate has amazing length and complexity, with great freshness lifting the fruit.

Lot 631: Bruwer Raats - Raats Family Wines

6 x 750ml bottles of Raats Family Cabernet Franc 2015

A wonderful single-varietal Cabernet Franc, not only showing an excellent expression of the grape in South Africa, but also the skill of acclaimed winemaker Bruwer Raats, who has specialised in, and championed, the variety alongside Chenin Blanc, since 2000.

A complex and heady wine comprising earthy notes with vibrant fruit and a spicy backbone. A herbal mix of rosemary, thyme and perfumed lavender is evident on the nose, followed by rich, dark blackberry and cherry flavours and a hint of cinnamon on the palate. The 2015 has a silky-smooth texture with well-integrated, firm tannins and a crunchy acidity that balances the finish. Simply delicious - a world class wine. It's hard to resist now but will drink well between 2022 to 2030.

This item is packed in a wooden box.

Lot 632: Donovan Rall - Rall Wines

2 x 1.5 litre bottles comprising Rall White 2022 and Rall Red 2021

The White is widely regarded as one of the finest blends coming out of the Cape. It is a blend of Chenin Blanc, Verdelho and Viognier from the Swartland and Stellenbosch.

Donovan's Red is always matured for an extra year in bottle compared to the other wines and this rustic, dense wine requires some cellaring for it to be fully appreciated. It is a Syrah-dominated blend with some Carignan, Cinsault and Grenache.

Rall White 2022

The Rall white is an 80/20 cuvée of Swartland and Stellenbosch grapes, combining Chenin Blanc with 24% Verdelho and 4% Viognier. Showing some subtle struck match reduction, it displays flavours of citrus, beeswax and apricot, very understated oak spices and surprising weight and concentration for a wine with 12.5% alcohol. Tim Atkin MW, SA Special Report 2023, 94/100, awarded 5-stars by Platter's Guide.

Rall Red 2021

Syrah 78%; Grenache 13%; Carignan 7% and Cinsault 2%. Purple and red fruit, herbs and pepper from the whole-bunch fermentation, and a clean, focussed palate.

Matured in old French oak for 10 months before being bottled unfiltered and lightly filtered with a further 18 months bottle maturation before release this wine will definitely reward patience and gain complexity over the next decade. Awarded 5-stars by Platter's Guide.

These wines are packed in a wooden box.

The Chardonnay grapes are harvested from three venerable vineyards, aged between 27 and 33 years, rooted in ancient 400-million-year-old shale and limestone soils from the Devonian era. The unique terroir and the Chardonnay's inherent ageing potential combine to create a truly special tasting experience that is both rare and memorable.

3 x 1.5 litre signed bottles, comprising one bottle of each of the following wines: Rock of Eye Chenin Blanc 2023, Cinsault 2023 and Cabernet Sauvignon 2022

Rock of Eye by winemaker Coenie Snyman is a portfolio of investment-grade wines.

The Chenin Blanc is made from 100% Stellenbosch Old Vine grapes, fermented in 60% concrete and 20% new oak and the balance in older French oak. It is a refreshing and elegant wine with complex layers.

The Cinsault is made from 100% Stellenbosch grapes planted in 1992, matured in 40% concrete and 60% old French oak. It has a juicy finish with dry tannins, fruit, and spice.

The Cabernet Sauvignon is made from 100% Stellenbosch grapes (40% Simonsberg, 40% Polkadraai, and 20% Helderberg), fermented in open tanks and manually punched down and matured in French oak barrels of which 20% were new. Lot 638: Rianie Strydom - Strydom Family Wines

6 x 750ml bottles, comprising 2 bottles each of the following vintages of Strydom Family Wines
The Gamechanger Cabernet Franc Merlot: 2015, 2017 and 2018

This special box of the first three vintages, made in a similar style to Right Bank Bordeaux, brings back fond memories of the 1998 vintage that I spent working in France close to St Emilion where these varieties reign supreme. The varieties Cabernet Franc and Merlot have always been very dear to my heart from an early age in my career, so I feel very privileged that I am able to make this stunning blend on the CWG platform, the pinnacle of quality in my whole range.

The grapes are grown on the slopes of the Helderberg Mountains in Stellenbosch and were brought into the cellar in pristine condition. Only two barrels are made each year. Blending was done after twelve months in barrel and then matured for a further six months in barrel before bottling.

These wines can still mature for up to another 10 years.

This wine is packed in a wooden box.

Lot 639: Pierre Wahl - Survivor

6 x 750ml bottles of Survivor Reserve Pinotage - a trio of pairs from the past, present and future

Since the year 2000, Pinotage has held a grip on me, and neither of us can seem to let go. Initially, my Pinotages all came from bush vine Stellenbosch vineyards, then from Tulbagh and Swartland origins. Today, they all hail from the Swartland, albeit from different soil types, irrigation methods, and trellis systems. This sought-after collection comprises three vintages, in which I have been involved in the blending and bottling of the 2020 and 2021, and in the making, overseeing the ageing process, and bottling of the 2022 vintage.

Both the 2020 and 2021 received 5 stars in the Platter Guide, with the latter being awarded ABSA Top 10 finalist. Hopefully, the 2022 vintage will follow suit. These wines originate from low-yielding, 25-year-old bush vineyards, grown on decomposed granite soils, and are 100% dryland farmed.

The grapes were fermented in open-top stainless-steel tanks, with pigeage used for extraction. The wines underwent malolactic fermentation and were then matured in 300-litre French oak barrels for 20 months before being racked, fined, and bottled.

These are wines for collectors, enthusiasts, and consumers who appreciate the art of winemaking. They pair excellently with Karoo lamb and venison dishes. They have the power to convert any non-believer into a lover of this truly South African cultivar, Pinotage!

It allows you to taste through time and re-live the aspects that shaped the wine every year, from drought years to rain during harvest. Lot 642: Protégé Collection – Shanice du Preez

6 x 750ml bottles of The Young Grasshopper Syrah 2023

100% Syrah

This wine was made by Shanice under the mentorship of Charles Hopkins whilst she was at De Grendel Wine Estate during her second year as a Protégé.

The grapes travelled 1.5 hours from Ceres, after which they were crushed and destemmed. A portion of the stems were kept and dried for a day before adding them back. For extraction, three punch-downs a day with a gentle aeration was done and as the fermentation slowed down, two punch-downs a day to wet the cap. The grapes were pressed and put into a first-fill 225 litre French oak barrel where it matured for 12 months.

Intense red fruit aromas such as cherries and raspberries with hints of fynbos and kitchen spices on the nose. Nuances of vanilla from the oak are evident with hints of sweet spice and peppercorns. Fresh acidity and fine tannins with a layered palate and lovely length.

This wine is packed in a wooden box.

Lot 643: Protégé Collection – Mosima Mabelebele

6 x 750ml bottles of Kopano Sauvignon Blanc – Sémillon 2023

55% Sauvignon Blanc, 45% Sémillon

This wine was made by Mosima under the mentorship of Boela Gerber whilst she was at Groot Constantia during her second year as a Protégé.

The Sauvignon Blanc grapes were harvested at 22.6° Balling and the Sémillon grapes were harvested at 23.2° Balling – each on different days. The juice from these grapes was handled separately during crushing, pressing, and fermentation. Fermentation occurred in different barrels: the Sémillon fermented in a 300 litre first-fill barrel and the Sauvignon Blanc in 500 litre fourth- and fifth-fill barrels. After four months, the two wines were blended in a 500 litre fifth-fill barrel and aged for an additional seven months before being bottled. While ready for consumption now, this blend also has the potential to age gracefully for up to five years.

This wine presents notes of citrus, fresh white flowers, yellow apples, and honey with an opulent palate that is crisp and bright with a beautiful mid-palate and a refreshing finish.

This wine is packed in wooden box.

It is further recorded that, notwithstanding that the bidder is acting as

agent for a third party, all invoices and statements will be made out in the name of the bidder and not the third party in respect of whom the bidder is acting.

- 2.1.3** All bidders wishing to make bids in respect of any lot must complete an online, printed or telephonic bidder registration form within 24 hours (or such other period as Strauss & Co may allow in its sole discretion) prior to the commencement of any auction, which registration form will include an acknowledgement by the bidder that he is acquainted with and bound by these general conditions of business. Bidders shall be personally liable for their bids made during any auction and shall be jointly and severally liable with their principals if acting as agent.

- (i)** for natural persons: date of birth, photo identification (driver's licence, ID document, or passport) and, if not shown on the ID document, proof of current address (for example, a utility bill or bank statement not older than 3 months);
 - (ii)** for South African juristic persons: certificate of incorporation, memorandum of incorporation or equivalent document(s) showing the name and registered address together with documentary proof, in the case of companies, of directors and direct and indirect shareholders and, in the case of close corporations, members; and
 - (iii)** for trusts, partnerships, offshore companies and other juristic persons: the bidder will be required to contact Strauss & Co by no later than 24 hours (or such other period as Strauss & Co may allow in its sole discretion) prior to the commencement of any auction to ascertain the information required by Strauss & Co.
- 2.1.5** Bidders may be required to pay a holding deposit to Strauss & Co, as determined by Strauss & Co in its sole discretion, at least 24 hours (or such other period as Strauss & Co may allow in its sole discretion) before the commencement of any auction.
- 2.1.6** If, in Strauss & Co's opinion, the documentation and information provided by a person wishing to register as bidder in terms of this clause 2.1 does not meet the requirements of this clause 2.1 or any relevant legislation, Strauss & Co may refuse to register such person as a bidder.

The bidder agrees to maintain accurate, complete and up-to-date information in the bidder's account. The bidder is responsible for all activity that occurs under the bidder's account, and, in addition to the obligations below, the bidder agrees to be responsible for ensuring that

the security and secrecy of the bidder's account, username and password is maintained at all times. The bidder may not assign or otherwise transfer his/her account to any other person or entity. The bidder agrees not to share or re-use usernames or passwords with other users and to always log out of his/her account or apply a password protected screenlock or other security mechanism before leaving his/her device unattended.

2.2 Bidding

- 2.2.1** The bidder shall be entitled to place a bid on the online auction portal in respect of a lot that is sold by way of a live auction prior to the commencement of a live auction. Such bid shall only be executed when the auctioneer opens the bidding in respect of a lot. The bidder shall be entitled to execute the bid (or additional bids) in respect of a lot that is sold by way of a live auction until the moment prior to the auctioneer closing the bidding in respect of such lot.
- 2.2.2** Any dispute of whatever nature about any bid or about the identity of the buyer (including, without limitation, any dispute about the validity of any bid, or whether a bid has been made, or any dispute between two or more bidders or between the auctioneer and one or more bidders), in the case of a live auction, shall be determined at the auctioneer's absolute discretion.
- 2.2.3** Persons wishing to bid by telephone during the course of a live auction must make proper arrangements with Strauss & Co in connection with such bids at least 24 hours (or such other period as Strauss & Co may allow in its sole discretion) before the commencement of the auction ('live telephone bids'). The bidder agrees that Strauss & Co will not be responsible for losses arising from live telephone bids that are not executed and/or incorrectly recorded. Live telephone bids may be recorded and all bidders consent to such recording (if any).
- 2.2.4** The parties acknowledge that, should identical bids be executed in respect of the same lot at any auction, Strauss & Co or the auctioneer will give precedence to the bid first executed in time.
- 2.2.5** The contract between the buyer and the seller of any lot shall be deemed to be concluded on the striking of the auctioneer's gavel at the hammer price finally accepted by the auctioneer (which also usually includes the auctioneer noting the paddle number of the buyer in the case of a live auction) and after determination of any dispute that may exist. Where a lot remains unsold (usually where the auctioneer's gavel is struck without a hammer price and without noting a paddle number, or where the auctioneer's gavel is struck followed by the word "pass"), no such contract between a buyer and the seller is concluded. Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer.
- 2.2.6** Strauss & Co will accept:
- 2.2.6.1** bids executed by bidders in person in the auction room (except in the case of an online auction);

- 2.2.6.2 live telephone bids (except in the case of an online auction);
- 2.2.6.3 commission bids; and/or
- 2.2.6.4 bids placed and executed via the online auction portal as contemplated in clause 2.2.1 above.
- 2.3 Commission bids

- 2.3.1.1 by telephone;
- 2.3.1.2 by way of the website and/or online auction portal; or
- 2.3.1.3 by way of written instruction.
- 2.3.2 When instructing Strauss & Co on a commission bid, the bidder shall be required to state the maximum amount which the bidder is willing to bid on a particular lot ('maximum bid'). The maximum bid is exclusive of and any other costs for which the buyer is or will become liable as provided for in these conditions of business.
- 2.3.3 In the event that the bidder requires Strauss & Co to execute a commission bid on more than one lot at an auction, the bidder shall be required to provide Strauss & Co with a separate commission bid in respect of each such lot.
- 2.3.4 The parties agree that all commission bids are placed at the bidder's sole risk and that Strauss & Co shall not be liable for any losses incurred by the bidder, the buyer or the seller, as the case may be, irrespective of whether such loss occurred due to any human error on the part of the auctioneer, Strauss & Co or any of its employees or agents. For example, the bidder agrees that Strauss & Co shall not be liable for any loss incurred by the bidder as a result of any error in relation to the maximum bid and/or the lot in respect of which a commission bid is to be exercised.
- 2.3.5 It is the responsibility of all prospective bidders to ensure that all commission bids are received by Strauss & Co by no later than 24 hours (or such other period as Strauss & Co may allow in its sole discretion) prior to the commencement of an action.
- 2.3.6 Subject to clause 2.3.7, it is recorded that the bidder shall only be entitled to increase or decrease the maximum bid:
- 2.3.6.1 in the case of a live auction, up to 2 hours before a live auction is scheduled to commence; or
- 2.3.6.2 in the case of an online auction, up to 2 hours before an online auction is scheduled to close.
- 2.3.7 Notwithstanding clause 2.3.6, the bidder shall not be entitled to decrease the maximum bid after the maximum bid has been executed by Strauss & Co on behalf of the bidder.
- 2.3.8 Strauss & Co may, in its sole discretion, request a bidder who placed a commission bid via telephone, to confirm such bid in writing before the commencement of an auction, failing which Strauss & Co shall be under no obligation to execute such bid received by telephone.
- 2.3.9 In the event that Strauss & Co receives identical commission bids in respect of the same lot, which commission bids have the same maximum amount, the commission bid received first in time will take precedence over the other commission bids, however, such bids, which are referred to as 'push bids' will still be recorded in the bidding history of a lot.
- 2.3.10 Nothing in these general conditions of business shall prevent a bidder whose bid is considered to be a push bid, to increase the maximum amount of his/her commission bid, provided that such maximum amount is increased within the timeframe contemplated in clause 2.3.6.
- 2.4 Connectivity and technical issues
- 2.4.1 The parties agree that broadband and other internet capacity issues, firewalls and other technical related problems are beyond the reasonable control of Strauss & Co and may result in, inter alia, some bids not being received on time or not being executed at all.
- 2.4.2 The parties further agree that any bidder who makes use of the online auction portal or any other platform that requires a broadband or other internet connection to place a bid or a commission bid, does so at his/her own risk and that Strauss & Co shall not be liable to the bidder for any loss which the bidder may incur as a result of any broadband and other internet capacity, firewalls and/or technical related issues. The user acknowledges that the website may be subject to malfunctions and delays inherent in the use of the internet and electronic communications. Strauss & Co HEREBY DISCLAIMS ANY LIABILITY FOR ANY DELAY IN, THE UNAVAILABILITY OR INACCESSIBILITY OF THE WEBSITE.
- 2.5 Examination of lots
- 2.5.1 It is the responsibility of all prospective bidders to examine and satisfy themselves as to the condition of each lot prior to the auction, and that the lot matches any oral or written description provided by Strauss & Co. All illustrations of a lot in any catalogue or condition report are intended merely as guidance for bidders and do not provide definitive information as to colours, patterns, condition or damage to any lot (including, without limitation, any picture frame). Strauss & Co does not guarantee the working order of electrical and/or mechanical fittings, clocks and watches and cannot be held responsible for any losses incurred by a buyer as a result of any defects in the working order of electrical and/or mechanical fittings, clocks and watches.
- 2.5.2 Strauss & Co shall not be liable for any error, misstatement or omission in the description and/or condition of a lot (whether in any catalogue, condition report or otherwise), unless Strauss & Co, its employees or agents, are engaged in intentional misleading or deceptive conduct.
- 2.5.3 In bidding for any lot, all bidders confirm that they have not been induced to make any bid or offer by any representation made by the seller or Strauss & Co.
- 2.5.4 Certain words used in the catalogues prepared by Strauss & Co to describe a lot have special meanings. The meaning of such words are set out in out in Annexure A below.

- 2.6 Exclusions and limitations of liability to buyers; passing of risk
- 2.6.1 If a lot sold to a buyer proves to be a forgery (which will only be the case if an expert appointed by Strauss & Co for such purpose confirms same in writing), the buyer may (as his sole remedy hereunder or at law) return the lot to Strauss & Co in the same condition it was as at the date of sale, together with a written statement by the buyer detailing the defects to the lot (if any), the date of the sale and the number of the lot, provided that such lot is returned by the buyer within 12 months of the date of sale. Should Strauss & Co be satisfied in its absolute discretion that the lot is a forgery, that the lot is in the same condition it was as at the date of sale and that the buyer is capable of transferring good and marketable title to the lot to a third party purchaser thereof, free from any encumbrances and other third party claims, the sale of that lot shall be set aside and the purchase price of that lot, shall be refunded to the buyer, provided that Strauss & Co has not yet paid the sale proceeds to the seller. In the event that a lot sold to a buyer proves to be a forgery as contemplated above, and Strauss & Co has already paid the sale proceeds to the seller, the seller shall be liable to refund the purchase price, to the purchaser. Without limiting the generality of the provisions of this clause 2.6, it is specifically recorded that the buyer shall have no claims against Strauss & Co, whether under these general conditions of business, at law or otherwise.
- 2.6.2 The rights afforded to the buyer in terms of this clause 2.6 may not be transferred or ceded to a third party and shall always rest exclusively with the buyer.
- 2.6.3 Neither Strauss & Co nor the seller:
- 2.6.3.1 shall be liable for any omissions, errors or misrepresentations in any information (whether written or otherwise and whether provided in a catalogue or otherwise) provided to bidders and buyers, or for any acts or omissions in connection with the conduct of any auction or for any matter relating to the sale of any lot, including when caused by the negligence of the seller, Strauss & Co, their respective employees and/or agents;
- 2.6.3.2 gives any guarantee or warranty to bidders or buyers other than those expressly set out in these general conditions of business (if any), and any implied conditions, guarantees and warranties are excluded.
- 2.6.4 Without prejudice to any other provision of these general conditions of business, any claim against Strauss & Co and/or the seller of a lot by a bidder or buyer shall be limited to the purchase price of the relevant lot. Neither Strauss & Co nor the seller shall be liable for any indirect or consequential losses.
- 2.6.5 The risk in and to a purchased lot shall pass to the buyer in all respects from the first day after a lot was sold to the buyer, whether or not payment has been made, and neither Strauss & Co nor the seller shall thereafter be liable for, and the buyer indemnifies Strauss & Co and the seller against, any loss or damage of any kind, including whether caused by the negligence of Strauss & Co and/or its employees or agents or the seller. Ownership of and benefit in and to a purchased lot shall only pass to the purchase when the purchase price has been paid in full as provided for in clause 2.10.3.
- 2.6.6 All buyers are required to arrange for their own insurance cover for purchased lots effective from the first day after the date of sale for purposes of protecting their interests in and to the purchased lot. Strauss & Co's insurance cover in respect of the purchased lots will expire on the first day after a lot was sold to the buyer.

Strauss & Co shall not be obliged to provide picture frames for any lot, unless such frame forms part of the lot and has been described as such in any catalogue. If a lot is sold with a picture frame such picture frame shall be provided to the buyer on an "as is" basis.
- 2.7 Import, export and copyright restrictions
- 2.7.1 Save for the representations and warranties expressly set out herein, Strauss & Co and the seller make no representation or warranties, and accept no liability, to the bidder, the buyer or any other third party as to whether any lot is subject to export, import or copyright restrictions or pre-emptive or other rights to purchase by governmental or regulatory authorities.
- 2.7.2 It is the buyer's sole responsibility to comply with the applicable export and/or import legislation.
- 2.7.3 The buyer shall not be entitled to cancel any sale as a result of the buyer being unable to obtain the necessary export and/or import permits, licences or authorisations. The failure by the buyer to obtain the necessary export and/or import permits, licences or authorisations in respect of a lot purchased at an auction, via the online jewellery platform or by way of private treaty, shall not extinguish the buyer's obligation to make payment of the purchase price in respect of such lot, nor shall it terminate the buyer's ownership of such lot.
- 2.7.4 In this regard, and without limiting the generality of the foregoing, the buyers and bidders are advised that:
- 2.7.4.1 Any lot made of or incorporating (irrespective of percentage) materials from endangered and/or other protected species of plants and/or wildlife shall be marked with the symbol * in the lot description or identified in the lot description as such. - require specific permits and approvals.
- 2.7.4.3** Certain countries regulate the movement of antiquities and cultural items, which in some cases are subject to a right of pre-emption or compulsory purchase by the country from which they are to be imported.
- 2.8** Conduct of the auctioneer
- 2.8.1** The auctioneer has the absolute discretion to withdraw or reoffer lots for sale, to accept and refuse bids and/or to reopen the bidding on any lots should he believe there may be a dispute of whatever nature (including, without limitation, a dispute about the validity of any bid, whether a bid has been made, whether between two or more bidders or between the auctioneer and any one or more bidders) or an error of whatever nature, and may further take such other action as he in his absolute discretion deems necessary or appropriate at or in respect of any auction. The auctioneer shall commence and advance the bidding or offers for any lot in such increments as he considers appropriate.
- 2.8.2** The auctioneer shall be entitled within his sole and absolute discretion to determine the starting bid in respect of each lot offered for sale by means of a live auction.
- 2.8.3** The auctioneer may place consecutive bids on any lot on the seller's behalf up to the reserve.
- 2.8.4** The auctioneer has the absolute discretion to accept or refuse bids from bidders that differ from the increments he was proposing.
- 2.9** No cancellation or returns
No statutory "cooling off" period shall apply in respect of the sale of any lot. A buyer shall accordingly not be entitled to rescind any sale or request a refund of any payment pertaining thereto after his bid has been finally accepted by the auctioneer or the online auction portal, as the case may be, save in the circumstances expressly provided for in these general conditions of business.
- 2.10** Payment and collection; passing of ownership and benefit
- 2.10.1** The buyer acknowledges that Strauss & Co may receive a seller's commission payable by the seller and/or other fees for or in respect of that lot.
- 2.10.2** Unless otherwise agreed in advance, the buyer shall make full payment of the purchase price to Strauss & Co by no later than 2 days after the date of sale (being from the fall of the auctioneer's gavel) (or on such other date as Strauss & Co and the buyer may agree upon in writing) by credit card, direct deposit or electronic funds transfer into the bank account of Strauss & Co for same day value, free from the cost of transfer of funds and without any deduction, set-off or withholding, or such other payment method as Strauss & Co may be willing to accept. Strauss & Co does not accept any cheques or cash and does not accept any credit cards other than MasterCard and Visa.
- 2.10.3** As provided for in clause 2.6.5 above, ownership of and benefit in and to a lot shall not pass to the buyer thereof until Strauss & Co has received settlement of the purchase price of that lot in full and in clear funds.
- Strauss & Co shall not be obliged to release a lot to the buyer prior to receipt in full of the purchase price.
- 2.10.4** Any payments made by a buyer to Strauss & Co may be applied by Strauss & Co towards any sums owing by the buyer to Strauss & Co on any account whatsoever and without regard to any directions of the buyer or his agent.
- 2.10.5** In the event that Strauss & Co and the buyer are unable to agree on the removal, storage, or any other incidental charges relating to a purchased lot within 7 days from the date on which a lot was bought by the buyer, the buyer shall be and remain responsible for any removal, storage, or other charges for any lot and must, subject to the provisions of clause 6, at his own expense ensure that the lot purchased is removed immediately after the auction (unless otherwise agreed to between Strauss & Co and the buyer), provided that the purchase price has been paid in full.
- 2.10.6** If the sale of any lot is legally annulled, rescinded, set aside, cancelled or nullified by the buyer, and Strauss & Co has paid the sale proceeds to the seller, the seller shall immediately refund the full sale proceeds to Strauss & Co, who will in turn refund the purchase price to the buyer, and make the lot available to the seller for collection, unless the sale of a lot is annulled, rescinded, set aside, cancelled or nullified by the buyer or Strauss & Co as a result of such lot being proven to be a forgery. Any annulment, rescission, cancellation or nullification of the sale shall not affect the seller's obligation to pay the seller's commission to Strauss & Co and/or to reimburse any recoverable expenses incurred by Strauss & Co.
- 2.10.7** If applicable, Strauss & Co will issue a valid tax invoice and apply the applicable rate of VAT, irrespective of whether or not Strauss & Co acts as agent on behalf of the seller or as principal, in line with the requirements of the Value Added Tax Act, 1991.

Only persons over the age of 18 years old, or over the age of legal majority in such person's jurisdiction, may enter bids for lots of wine and no person may enter a bid on behalf of another person who is not over the age of 18 years old, or over the age of legal majority in such person's jurisdiction. By placing a bid on wine, the bidder confirms that he/she is over the age of 18 years, or over the age of legal majority in such person's jurisdiction. Any wine delivered to a buyer must be received by a person who is over the age of 18 years, or over the age of legal majority in such person's jurisdiction. If upon delivery of a lot consisting of wine

no person above the age of 18 years, or above the age of legal majority in such person's jurisdiction, is available to accept delivery of the wine, the wine shall be returned to the storage facility referred to in clause 6.5.1 at the buyer's expense.

6.2 Warranties

- 6.2.1 The seller warrants, in addition to all other representations and warranties given in these general conditions of business, that he is in possession of a valid liquor licence (to the extent that he is required by law to be in possession of a liquor licence) and is entitled to sell all lots of wine offered for sale. The seller agrees to indemnify and keep Strauss & Co and the buyer indemnified against any loss or damage suffered by either of them as a result of a failure by the seller to be properly licensed (to the extent that it is required to be licensed) and entitled to sell liquor in accordance with the laws of the Republic of South Africa.
- 6.2.2 Neither the seller nor Strauss & Co gives any warranty or representation as to the origin, age, genuineness, cork condition, content or labelling of any wine, or how any wine has been cellared, if at all.

6.3 Bottle sizes

All wine bottle sizes as described in a catalogue have the following meanings:

- 6.3.1 half bottle - 375 millilitre bottle of wine;
- 6.3.2 standard - 750 millilitre bottle of wine;
- 6.3.3 magnum - the equivalent of 2 standard bottles of wine;
- 6.3.4 double-magnum - the equivalent of 4 standard bottles of wine;
- 6.3.5 jeroboom - the equivalent of 6 standard bottles of wine; and
- 6.3.6 imperial - the equivalent of 8 standard bottles of wine.

6.4 Ullage of wines

- 6.4.1 For the purpose of this clause 6.4, 'ullage' means the amount by which the level of a wine bottle falls short of being full.
- 6.4.2 Ullage levels may vary dependent on the age of the wine and old corks may fail during or after delivery of wine. To the extent possible, the level which a wine bottle may be short of being full will be described in the catalogue in accordance with the diagram provided in Annexure B below.
- 6.4.3 The ullage described in a catalogue by Strauss & Co is based on an inspection conducted by Strauss & Co prior to the sale of wine and such ullage, particularly in the case of older wines, may be subject to variation prior to or after the sale of that wine. Accordingly, the ullage and condition of wine as described in a catalogue is merely provided by Strauss & Co to assist buyers in determining the price of wine and therefore, under no circumstances do Strauss & Co warrant the accuracy of this information and shall not be held liable for the condition of wines or ullage which may differ from their description in a catalogue.
- 6.4.4 Save as provided for in clause 2.6 above, Strauss & Co shall under no circumstances accept any returns or make any refunds or adjustments to prices of sold wines which may result from the natural variations of ullages or poor conditions of cases, labels, corks or wines.

6.5 Storage and collection

- 6.5.1** Strauss & Co is not responsible for the storage of any wines. All wines are stored at a facility determined by the seller in conjunction with Strauss & Co. All costs relating to the storage of wine from date of storage until the 20th business day following the date of auction or the date of sale by way of private treaty shall, unless otherwise agreed to in writing between Strauss & Co and the seller, be born by the seller.
- 6.5.2** Upon payment of the purchase price in full and clear funds, the buyer will be issued with a written confirmation of receipt of such payment from Strauss & Co, which confirmation shall include the details of the storage facility agreed to between the seller and Strauss & Co in terms of clause 6.5.1.
- 6.5.3** The issuance of the written confirmation referred to in clause 6.5.2 shall constitute delivery of the lot to the buyer for all legal purposes.
- 6.5.4** Following the issuance of the written confirmation referred to in clause 6.5.2 the buyer must timeously collect (i.e. before the expiration of the 20th business day referred to in clause 6.5.1) the lot from the facility and must make relevant arrangements in that regard, all of which shall be for the buyer's own cost (unless otherwise agreed to in writing between Strauss & Co and the buyer).
- 6.5.5** Should the buyer fail to collect the lot by the end of the 20th business day following the date of auction or the date of sale by way of private treaty, unless otherwise agreed in writing, the seller:
- 6.5.5.1** shall be entitled to charge the buyer storage costs from that date; and
 - 6.5.5.2** may, in its sole and absolute discretion, move the lot to or within an affiliate or third party warehouse and charge the buyer any transport and/or administration and/or other costs associated therewith.
- 6.5.6** Unless the buyer agrees otherwise with the storage facility, the buyer must collect an entire lot upon collection.
- 6.5.7** Nothing in this clause 6.5 shall be construed to limit any rights that Strauss & Co may have (to the extent applicable) under the general conditions of business, including, without being limited to, clauses 2.10, 2.11 and/or 3.10 above.

6.6 Buyer's Premium and Value Added Tax (VAT)

- 6.6.1** No buyer's premium is charged to the hammer price, however Value Added Tax (VAT) is added on top of the hammer price for wines staying within the borders of South Africa. To receive a VAT exclusive invoice, wines need to be exported within 3 months and all export documents need to be provided.

6.7 Conditions specific to the sale of wine in terms of COVID-19 Lockdown Regulations

- 6.7.1** For the purposes of this clause 6.7, COVID-19 Lockdown Regulations shall mean any regulations or directives issued in terms of section 27(2) of the Disaster Management Act, 2002 relating to COVID-19.
- 6.7.2** Whilst payment for all lots (including lots of wine) shall become due and payable from the fall of the hammer, the sale between the buyer and the seller of any lots of wine will be deferred until the sale and distribution of alcohol is permitted in terms of the COVID-19 Lockdown Regulations. The perfection of the sale in respect of lots of wine shall take place as soon as the COVID-19 Lockdown Regulations allow for the sale of wine lots and the collection of the lots of wine from the storage facility referred to in clause 6.5.1.
- 6.7.3** The deferred sale of lots of wine shall be confirmed by a confirmatory email sent to the buyer in which the details of the deferred sale, including the purchase price, are stipulated.
- 6.7.4** Ownership of any lots of wine shall only pass to the buyer after Strauss & Co has received settlement of the full purchase price for the lots of wine in cleared funds and the sale of the lots of wine is permitted due to either a relaxation or termination of the COVID-19 Lockdown Regulations. Strauss & Co shall not release a wine lot to the buyer for collection prior to full payment thereof and until such time as it is permissible for Strauss & Co to release the lots of wine to the buyer in terms of the COVID-19 Lockdown Regulations.

7. CONDITIONS SPECIFIC TO ONLINE AUCTIONS, LIVE BROADCAST AUCTIONS AND THE ONLINE JEWELLERY PLATFORM

7.1 General

- 7.1.1** In addition to the general conditions of business, which are applicable to all online auctions, live broadcast auctions and any sales via the online jewellery platform, unless specifically varied in terms of this clause 7, the following are the terms and conditions (the 'online terms') under which (a) a user may use the website and any co-branded websites of Strauss & Co at <https://www.straussart.co.za/>, (b) a bidder may take part in an online auction or a live broadcast auction, and/or (c) a bidder may make use of the online jewellery platform. By accessing and using the website or the online jewellery platform or registering for a live broadcast auction, the user and/or the bidder, as the case may be, accepts and agrees to be bound, without modification, limitation or qualification, by the general conditions of business and the online terms. Strauss & Co may, in its sole discretion, modify or revise the general conditions of business and/or the online terms at any time. The user and/or the bidder, as the case may be, is bound by any such modification or revision.
- 7.1.2** If the user does not agree to any of the general conditions of business or the online terms, the user should not enter, view or make use of the website or the online jewellery platform.

- 7.1.3 Specific rules, in addition to the general conditions of business and the online terms, are provided with respect to transactions conducted on or in connection with the website, and other rules may be provided for the use of certain other items, areas or services provided on or in connection with the website, and the user agrees to be bound by such rules.
- 7.1.4 The user agrees that he/she shall be liable for any successful purchase or bid sent from his/her account while logged into the website and/or the online auction portal.
- 7.1.5 The bidder shall only be able to execute a bid on a lot that is sold by way of online auction within the timeframes determined by Strauss & Co in its sole discretion.
- 7.2 Online auctions
- 7.2.1 Only persons who are legally entitled to do so are permitted to place a bid on the website and/or the online auction portal.
- 7.2.2 By placing a bid, the user represents and warrants that:
- 7.2.2.1 the user is legally capable of entering into binding contracts or is duly assisted by his parent or guardian; and
- 7.2.2.2 by doing so, the user accepts that Strauss & Co will rely on the user's representation and warranty that the user has unfettered legal capacity and/or authority to contract.
- 7.2.3 The contract between the buyer and the seller of any lot sold in terms of an online auction shall be deemed to be concluded upon acceptance by Strauss & Co of the bid at the hammer price (after determination of any dispute that may exist). Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer. Where a lot remains unsold, no contract of sale is concluded.
- 7.2.4 Due to the nature of an online auction and the fact that an offer for the sale of a lot is open for a long period of time, which provides a user with ample time to consider whether to place a bid, the provisions of the Consumer Protection Act, 2008 regarding the retraction of a bid prior to the fall of the hammer, shall not be applicable to any online auction. Therefore, once a bid in respect of the sale of a lot has been placed by a bidder, such a bid shall be regarded as final and the bidder shall not be able to retract the bid.
- 7.2.5 Strauss & Co shall be entitled within its sole and absolute discretion to deny any user access to the website and/or the online auction portal and shall furthermore be entitled to de-register any user who has registered to use the website and/or the online auction portal should Strauss & Co suspect that such user is not a genuine bidder, buyer, seller or user of the website and/or the online auction portal, may be acting illegally, fraudulently or in bad faith or intends to misuse, disrupt or interfere with the auctions or will breach or has breached the general conditions of business and/or online terms. Strauss & Co shall not be liable for any losses or claims of whatsoever nature arising from any denial of access to the website and/or the online auction portal or user de-registration as contemplated in this clause 7.2.5.
- 7.2.6 Strauss & Co shall be entitled within its sole and absolute discretion to determine the starting bid in respect of each lot offered for sale by means of an online auction.
- 7.2.7 In the event that the buyer does not elect to make use of any of the delivery options provided for on the website and/or the online auction portal, the buyer shall be and remain responsible for any removal, storage, or other charges for any lot and must, subject to the provisions of clause 6, at his own expense ensure that the lot purchased is removed immediately after the auction (unless otherwise agreed to between Strauss & Co and the buyer), provided that the purchase price has been paid in full.
- 7.2.8 Should a bidder execute a higher bid in respect of any lot sold by way of an online auction within the last 5 minutes before the auction closes, all bidders who have placed a bid for such lot before such higher bid has been executed, shall be allowed to continue bidding on such lot, notwithstanding that the auction has closed, for such extended period which shall end at such time when no bid has been executed within 5 minutes of the last bid being executed during the extended period.
- 7.2.9 Any dispute of whatever nature about any bid or about the identity of the buyer (including without limitation any dispute about the validity of any bid, or whether a bid has been made, or any dispute between two or more bidders) shall be determined at Strauss & Co's absolute discretion, and in such a manner that Strauss & Co deems fair, reasonable and appropriate.

- 7.4 Registration, passwords and signatures
- 7.4.1 The user agrees to: (a) provide true, accurate, current and complete information about the user as prompted by any registration form that the user may fill out on the website (such information being the 'registration data') and (b) maintain and promptly update the registration data to keep it true, accurate, current and complete. If the user provides any registration data that is untrue, inaccurate, not current or incomplete, or Strauss & Co has grounds to suspect that such registration data is untrue, inaccurate, not current or incomplete, Strauss & Co has the right to suspend or terminate the user's account and refuse any and all current or future use of the website (or any portion thereof).
