Foreword

2026 marks a landmark year for the Cape Winemakers Guild as we bid farewell to Kate Jonker, our long-standing General Manager, after an extraordinary 27 years of dedicated service. Kate has been the heartbeat of the Guild office, and she will be deeply missed by members and loyal buyers alike.

We are delighted to welcome three new members this year. Kaapzicht returns to the fold, now represented by Danie Steytler Jnr following his father's retirement - making him the fifth second-generation winemaker to join this elite group, a powerful symbol of excellence handed down through generations. Graham Weerts of Capensis brings a wealth of wisdom and international experience shaped by his time in California, while Wim Truter lends tradition and distinction through one of South Africa's most beloved heritage estates, Meerlust.

The Cape Winemakers Guild Development Trust and its Protégé Programme remain at the heart of our commitment to transformation - mentoring and guiding the next generation of talented young winemakers to become future leaders of the South African wine industry.

The wines presented here prove once again why collectors around the globe so eagerly seek them. They speak to the remarkable diversity of our wine regions and the exceptional individuals who craft them - each bottle a testament to the craftsmanship and passion that define our membership.

We are honoured to share these wines with you, and sincerely grateful for your continued support.

Chair, Cape Winemakers Guild

Masters Of Their Craft

Established in 1982, the Cape Winemakers Guild (CWG) is a collective of some of South Africa's greatest winemakers. These 45 winemakers have been recognised as excelling at their craft by their peers within the Guild. Membership of the Guild is by invitation only and is extended to winemakers who have been responsible for the production of wines of excellence for a minimum of five years and who show promise of not only consistently exceeding industry standards, but also promoting the values of the Guild.

Over the last 44 years, the Guild's winemakers have demonstrated a commitment to developing the local wine industry, through innovative practices and the sharing of knowledge. The Guild and its members are investing in the future of winemaking by nurturing young winemaking talent through the Cape Winemakers Guild Development Trust and the CWG Protégé Programme.

The CWG meets regularly as a technical tasting group, providing its members with an opportunity to evaluate wines from around the world and to share their knowledge and ideas - ensuring that CWG members remain leaders in the art and science of winemaking.

The Cape Winemakers Guild Development Trust

Being recognised as industry leaders also kindles responsibility for promoting quality through continuous learning and education, and as a result, the CWG is the first organisation in South Africa to create a foundation for diversity and inclusivity in the South African wine industry.

Since the formation of the Guild's Development Trust in 1999, it has been a part of the Guild's journey to support meaningful transformation in the wine industry. Through this Trust, the CWG empowers farm employees through further education. Through its Protégé Programme, the CWG nurtures and mentors recently-graduated winemakers from historically disadvantaged backgrounds so that they can become leaders and role models within the South African wine industry.

The projects are wholly funded by CWG Charity Auctions and donations from outside organisations. To support the Protégé Programme, please participate in the Online Protégé Programme Auction, running from Thursday, 20 August to Monday 5 October, closing from 18:00 at www.straussart.co.za.

Protégé Programme

Since the inception of the Protégé Programme in 2006, 41 Protégés have completed the three-year internship and 9 are currently participating in this ongoing programme. Of those who have graduated, 32 now either hold leading winemaking roles or have their own winemaking projects.

The CWG has become a unique institution in the way all 45 members remain involved in this uplifting initiative, providing mentorship to ensure that both the industry standards and the values of the CWG exceed all expectations and are maintained by new talent and the future policymakers.

Wine Training South Africa

From 2014, the Guild has financially supported Wine Training South Africa so that they could have their courses SETA accredited.

The Sheltering Sky Syrah 2024

100% Syrah
Wine of Origin Elgin

Winemaker **Samantha O'Keefe**

This extreme cool-climate Syrah, grown on iron-rich soils, showcases the diversity of South Africa's terroir and its potential to produce world-class Syrah across different regions. This vineyard was specifically selected for its distinctive sense of place. The cool growing conditions in Elgin lend the wine elegance and restraint, while the iron soils impart power and depth.

Tasting Notes: The nose is defined by bramble, spiced plum, and cassis, complemented by aromatics of allspice, pink peppercorns, and a subtle hint of fynbos. This medium-bodied, age-worthy Syrah is elegant and fresh.

Beaumont Family Wines

GG's Single Vineyard Chenin Blanc 2025

100% Chenin Blanc
Wine of Origin Bot River

Winemaker **Sebastian Beaumont**

The grapes used to produce this wine come from our oldest Chenin Blanc vineyard, planted in 1974. The name GG refers to several elements that are closely tied to the farm and its history. Most notably, the previous owners used their initials, G and G, on their labels. They were pioneer winemakers long before the Overberg, Walker Bay and Bot River regions became recognised wine-growing areas. We estimate that their winemaking activities spanned from the 1930s through to the late 1960s. During this time, they used the railway line running behind the cellar to transport their wine to market, creating a lasting connection between the farm, its heritage and the GG name.

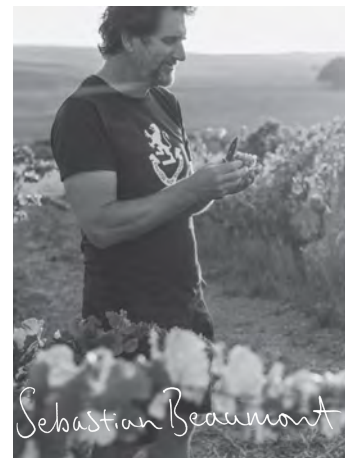

Tasting Notes: The wine displays sherbet-fresh lemon and lime aromas, complemented by a delicately floral character and very well-integrated oak. A zesty entry on the palate brings energy and freshness, leading to a long and intense palate. A hint of sweetness beautifully polishes the acid, creating a harmonious balance and an impressively persistent finish.

Ready for drinking 5 to 10 years from now.

Miles Mossop Wines

Maximilian 2023

100% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker **Miles Mossop**

This wine is a bottling of the best Cabernet Sauvignon vineyard used in the Max blend. The vineyard is situated high in the Polkadraai Hills and is planted in soils of granitic origin. It gives a pure expression of Stellenbosch Cabernet Sauvignon. The grapes are picked at a ripeness that expresses the finesse and purity typical of this part of Stellenbosch while retaining freshness. The wine is naturally fermented in a small wooden open-top vat and matured in 225 litre French oak barrels for 22 months, with 50% new oak.

Tasting Notes: The wine displays aromas of bramble fruits with notes of cocoa, tobacco leaf and dried herbs. The palate is full and rich, showing layers of berry fruits, olive tapenade and spice. Fine granular tannins contribute to the long finish, adding structure and persistence to the wine.

Drinking beautifully now and will continue to do so for a further 10 to 15 years.

Cederberg

Black Slate Shiraz 2024

100% Shiraz
Wine of Origin Cederberg

Winemaker **David Nieuwoudt**

Planted high in the remote and isolated vineyards in the Cederberg mountains, this 0.5 hectare pocket of Shiraz is a true expression of pure, disease and virus free terroir. Rooted in distinctive black slate soils, the vineyard produces fruit with pronounced minerality, a firm tannin structure, and balanced ripening. Crafted exclusively for the Cape Winemakers Guild Auction, this 2024 release builds on the success of its debut vintage. Small-batch, open-top fermentation and maturation for 15 months in selected French oak barrels, preserve the vineyard's unique character while enhancing complexity and refinement. The result is a cool-continental Shiraz that combines intensity with elegance, showcasing the distinctive personality of this exceptional mountain site.

Tasting Notes: The wine reveals aromas of black cherry and mulberry, which unfold alongside notes of black olive and white pepper. The palate is savoury and layered with brooding dark fruit, supported by fine tannins that provide structure and poise. Freshness and restrained power are beautifully balanced, while a gentle floral lift adds complexity and elegance to the finish.

Thorne and Daughters

Sand Castles 2025

50% Sauvignon Blanc, 50% Sémillon
Wine of Origin Olifantsrivier and Paardeberg

Winemaker **John Seccombe**

The wine marries John's fascination with classic, Old-World wines and the wildness of our dryland Paardeberg Sémillon and Skurfberg Sauvignon blanc vineyards in the Western Cape. The 2025 vintage is exceptionally elegant and concentrated. Meticulous and minimalist winemaking allowed for complexity and age-worthiness over stark, primary fruit.

Tasting Notes: Oyster shells, blackcurrant, green plums and a touch of sage lead the aromatics, while a mouth-coating palate shows meringue and almond paste with a hint of nutmeg from deft oakling, set against fresh, zippy ruby grapefruit.

Ready for drinking from 2028 to 2036.

Solo Wines by Carl Schultz

CWG Auction Merlot 2023

100% Merlot
Wine of Origin Stellenbosch

Winemaker **Carl Schultz**

Only 400 bottles were produced, marking the very last CWG wine to be made from this unique site, and it concludes the most lengthy and consistent offering of the variety in CWG Auction history. This CWG Merlot is South Africa's most expensive and exclusive example of the variety. First auctioned at the 1997 CWG Auction.

Tasting Notes: The wine shows classic cherry chocolate notes, mingled with cassis and violet on the bouquet. The palate is quintessential Merlot, all power and grace, with opulent, juicy and perfumed flavours.

Ready to drink 3 to 25 years from vintage date.

Newton Johnson Family Vineyards

Sandford Chardonnay 2024

100% Chardonnay

Wine of Origin Upper Hemel-en-Aarde Valley

Winemaker **Gordon Newton Johnson**

This wine comes from the best single-vineyard site of Chardonnay on Newton Johnson, illustrating the clarity and energy obtained through our granite soils in a cool, maritime climate. It is an authentic expression of Chardonnay, following a natural winemaking approach with no added yeast, enzymes or bentonite. Only the best-quality first juice fraction is used from the whole-bunch press. The vineyard has reached a mature age of 17 years, while the drier and warmish 2024 vintage has amplified the fruit flavour and concentration of the wine.

Tasting Notes: The wine reveals elaborate citrus fruit layers of yuzu and lime, juxtaposed with white flowers, baking spice, crushed stones and gunflint. The palate displays a plush and compact texture, which is prolonged with vitality in the tapered finish, creating a wine of precision, energy and persistence.

Rall Wines

Noa Syrah 2024

100% Syrah
Wine of Origin Swartland

Winemaker **Donovan Rall**

Crafted from the finest section of my top vineyard - an exceptionally low-yielding site producing just 1 ton per hectare. Planted on schist soils with the highest concentration of quartz, this parcel delivers remarkable natural extract at low potential alcohol. No new oak was used, allowing the purity of site and structure to shine through.

Tasting Notes: Concentrated black and purple fruits are layered with notes of fynbos and black tea. The palate is dense and firmly structured, promising graceful evolution over decades.

Ready to drink 2030 to 2040.

De Trafford Winery

Cabernet Sauvignon 2024

85% Cabernet Sauvignon, 15% Cinsaut
Wine of Origin Stellenbosch

Winemaker **David Trafford**

This is a selection of our two best barrels of Cabernet Sauvignon from our Elevation 393 vineyard, located 393 metres above sea level on the slopes of the Helderberg. The addition of 15% Cinsaut from our bush vines at the top of the same vineyard allows the Cabernet to relax and express itself. High vine density, low yields and farming close to nature gives us intense wines with structure to age for decades and a unique charm.

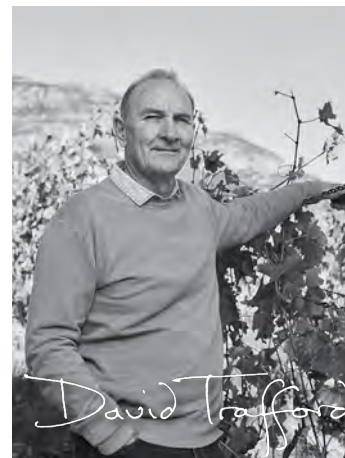

Tasting Notes: The wine shows a bright dark red colour, with an intense nose of blackcurrant and red berries, lifted by spicy new oak notes. It also reveals subtle fruitcake and herbaceous fynbos character. The palate is youthful and structured, designed for long-term ageing, with a dusty texture and a long finish.

Ready for drinking now to 2040.

Kershaw Wines

Vertiginous Pinot Noir 2024

100% Pinot Noir
Wine of Origin Elgin

Winemaker **Richard Kershaw MW**

The Vertiginous Pinot Noir, made from the rare Clone 52, originates from the steep, dryland slopes of central Elgin. Clone 52 is known for producing wines with a balanced profile of lightness, delicate floral notes and a distinctive tannic structure. The delestage process used for extraction enriches its depth and colour, while natural malolactic fermentation in Burgundy barrels provides a creamy, balanced finish, enhancing the ageability of this wine.

Tasting Notes: The wine reveals aromas of strawberry and rosehip, which meld seamlessly with notes of spiced raspberry. An inherent richness is woven together by white pepper and balanced by a rhubarb acidity. Framed by fine tannins, a zippy energy carries through the palate to a long, taut finish.

Ataraxia

Echo of Earth Pinot Noir 2025

100% Pinot Noir
Wine of Origin Hemel-en-Aarde Ridge

Winemaker **Kevin Grant**

This is a single-vineyard Pinot noir from a cool-climate site in the Hemel-en-Aarde Ridge appellation. Produced in a traditional Burgundian style with 20% whole-bunch fermentation to enhance freshness, aromatic lift, and structural tension. Being a Pinot noir, it is first and foremost a *vin de terroir*, articulating as it does the singularity of a vineyard site with a precise GPS coordinate - an expression of a very specific soil and place.

Tasting Notes: The wine reveals lifted aromas of wild strawberry and dark cherries, layered with subtle notes of violet, forest floor and crushed herbs. The palate is finely structured, with bright acidity and a sense of tension that brings focus and precision. A long, persistent finish completes this elegant and expressive wine.

David & Nadia

Veiling Chenin blanc 2025

100% Chenin blanc
Wine of Origin Swartland

Winemaker **David Sadie**

Two adjacent vineyards, Plat'bos (granite) and Skaliekop (lateral shale), are both situated in the Paardeberg and registered as single vineyards. These dry-land farmed bush vines were planted in 1981 and 1985 respectively. We farm the soils biologically which includes the making and adding of our own compost, mulching around the vines and cover crop planting before the winter which are rolled flat with a crimper prior to budding in Spring. Swartland is a coastal region and although we are located 55 kilometres away from the West Coast, the predominant South-Easter wind causes evaporation against which we farm to retain moisture in our marginal soils. Our vineyards are sprayed organically and harvested on multiple dates to obtain freshness, tension, salinity and age-worthiness. Made as pure as possible and aged in older barrels before being blended and bottled.

Tasting Notes: Focused on tension, length and salinity.

Hamilton Russell Vineyards

CWG Chardonnay 2025

100% Chardonnay
Wine of Origin Hemel-en-Aarde Valley

Winemaker **Emul Ross**

This is my maiden vintage for the CWG and the first from Hamilton Russell Vineyards since 2003. The wine is a combination of three barrels from one of my favourite vineyards. It is sourced from Dijon clone 96, planted at 140 metre elevation, 2.7 kilometres from the cold Atlantic Ocean, in iron-rich Bokkeveld shale soil. Fermentation took place in custom-made 300 litre French oak barrels and was followed by 11 months of élevage. Throughout the year, the wine was topped with lees to lend additional richness and texture.

Tasting Notes: Orchard blossoms, white pear and yellow citrus take center stage, with hints of flinty reduction, adding complexity. The palate has a subtle richness and a classic, long, refreshingly saline finish.

Rock of Eye

CWG Auction Cabernet Sauvignon 2023

100% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker **Coenie Snyman**

This is Rock of Eye's second vintage. Born from experience and shaped through intuition, this wine is a statement of Stellenbosch Cabernet Sauvignon from the 2023 vintage by Coenie Snyman. The powerful, fruit-driven Polkadraai component brings supple tannins to the blend, while Simonsberg yields austerity and tight, structural grip. Together, these elements form a wine that reflects the power and sophistication of Stellenbosch.

Tasting Notes: The wine displays aromas of cassis, blueberry, mocha and crème brûlée, leading to a lively palate with firm, dry tannins and lead pencil grip. A classic, fresh finish completes the wine. Poised and age-worthy, it carries the structure, harmony and longevity of Stellenbosch.

AA Badenhorst Family Wines

Akkerbos Grenache Blanc 2025

100% Grenache Blanc
Wine of Origin Swartland

Winemaker **Adi Badenhorst**

After a decade of farming this vineyard, this marks the first vintage deemed worthy of being bottled as a standalone expression. Situated on an east-facing slope, the site is characterised by deep granite soils underpinned by clay-rich subsoils, lending both structure and a distinctive sense of place to the wine.

Tasting Notes: Grenache Blanc is a grape variety that possesses, inherent in its make-up, the ability to immerse and assimilate its terroir - in this case the terroir of Kalmoesfontein farm, Akkerbos vineyard, Swartland. Expressed humbly and unobstructed by human hands. It's pure and transparent. Not opulent and exotic. It's the flavour and texture of a place farmed with respect and sensitivity.

Strydom Family Wines

Paradigm 2023

50% Cabernet Franc, 35% Cabernet Sauvignon, 10% Petit Verdot, 5% Malbec
Wine of Origin Stellenbosch

Winemaker **Rianie Strydom**

In years when Cabernet Franc requires additional support, more varietals are introduced into the blend. The 2023 vintage was one such year, marked by early rains during the harvest season. In this distinctive blend, Cabernet Sauvignon reinforces the elegant tannins of Cabernet Franc while adding structure and depth. Petit Verdot and Malbec contribute freshness and a softer mouthfeel, completing the wine's balance.

Tasting Notes: The 85% representing the Cabernets Franc and Sauvignon give a good core of chalky freshness and structure. The Petit Verdot and Malbec bring the darker berry notes and depth as a final touch.

Neil Ellis Wines

Mis à Nu 2022

100% Cabernet Sauvignon
Wine of Origin Jonkershoek Valley, Stellenbosch

Winemaker **Warren Ellis**

Mis à Nu - French for 'laid bare' - is an unoaked Cabernet Sauvignon from the Jonkershoek Valley. Inspired by the legendary George Spies Cabernets of the 1960s, the wine remains untamed. Without oak to tame or shape it, it offers a pure expression of Jonkershoek Cabernet Sauvignon - one of South Africa's finest Cabernet terroirs.

Tasting Notes: The wine displays aromas of dark cherry, cassis and violets. The palate is dense and complex, with layers of dark berries and fine-grained tannins leading to a long finish. Untamed and unapologetic, it offers a pure and unadorned expression of Jonkershoek Cabernet.

Le Riche

CWG Reserve Cabernet Sauvignon 2023

100% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker **Christo le Riche**

The Helderberg Coastal area of Stellenbosch has been a core of our production for 29 years. Earlier ripening, duplex soils layered with loam, gravel and clay that are cooled by the False Bay sea breeze. This year I have blended four Cabernet Sauvignon vineyards to showcase the uniqueness of this area.

Tasting Notes: Cloves, spice, cedar and pencil shavings underscore a bouquet of red and black fruit. The wine is fresh, elegant and pure, with a texture that is fine and detailed, lifted by a savoury, long finish.

Luddite Wines

Glorious Confusion 2025

Wine of Origin Bot River

Winemaker **Niels Verburg**

Firstly, it is a field blend, and I have always been excited by how the vineyards, over time, tend to develop a symbiosis between the different varietals. The whole inevitably becomes more impressive than the individual parts. The wine is a lot fuller than you would think due to the skin contact, and I believe all the cultivars contribute to a full, rounded wine.

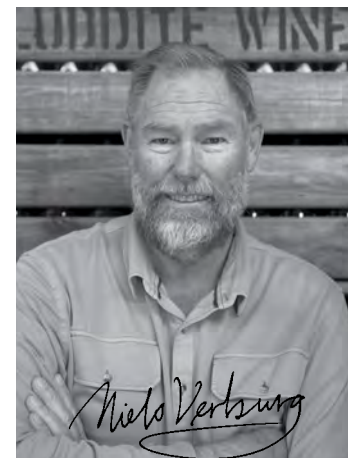

Tasting Notes: The wine shows a light straw colour. The nose reveals hints of fruit medley, with a touch of tropical fruit and a bright floral lift. The palate is vibrant and juicy, long lingering finish.

Bartho Eksteen Wine Estate

Vloeskoot Sauvignon Blanc – Op Hout 2025

100% Sauvignon Blanc
Wine of Origin Cape South Coast

Winemaker **Bartho Eksteen**

VLOEKSKOOT Sauvignon Blanc is a true outlier. Sourced from Cape Agulhas and Hemel-en-Aarde, it is naturally fermented in concrete egg and neutral oak with a wild yeast strain unique to our cellar. Twice named South Africa's Sauvignon Blanc of the Year, it has earned regular 95+ ratings from Tim Atkin MW and Platter's. Jancis Robinson MW ranked it the top white wine in Hemel-en-Aarde, calling it "fresher than Pessac-Léognan" - a wine of tension, longevity and Cape identity.

Tasting Notes: Expressive notes of orchard fruit, citrus zest and mineral salt, reflecting its proximity to the ocean. Natural acidity and pristine fruit bring balance and depth to the palate, while also contributing to the wine's impressive ageing potential. A benchmark Sauvignon Blanc, it combines freshness, purity and a strong sense of place.

Patience will reward you richly. Delay the pleasure and enjoy this wine with increasing interest for 10 years or more after harvest.

David Finlayson Wines

Sleepless Nights Grenache Noir 2024

100% Grenache Noir
Wine of Origin Stellenbosch

Winemaker **David Finlayson**

Made from a vineyard on one of the neighbouring properties, this site has intrigued me for many years with its cooler southwest aspect and very low-vigour soils. I grabbed the opportunity when it became available to make a special wine from these grapes that could showcase the potential of Grenache in Stellenbosch, where it has not yet made a name for itself.

Tasting Notes: The wine shows an opaque, crimson colour that belies the taut, fine tannin structure. In the glass, it opens to showcase bright red fruit and a crunchy freshness that is so typical of the varietal.

Mullineux

'The Gris' Old Vine Sémillon

100% Sémillon Gris
Wine of Origin Swartland

Winemaker **Andrea Mullineux**

This is far more than a rare wine - it is a living piece of South African viticultural history. Once dominating the vineyards of the Cape, this natural and genetically unique mutation of Sémillon has been whittled down to just a few vineyards. Andrea, along with industry professionals, has been on a mission to put this heritage variety back on the pedestal it deserves to be on.

After 14 years of genetic isolation and propagation, Sémillon Gris has now been officially recognized as a variety unique enough to bear its own name on the label. This wine comes from the vineyard planted in 1960 on the granite slopes of the Paardeberg - the very site that made certification possible.

Tasting Notes: While enjoying a bottle of this rare wine, listen to *Stand By Me* by Ben E. King - a song about steadfastness through uncertainty, echoing the resilience of a vineyard that has endured and remained true to itself through six and a half decades of flux and rediscovery.

The Auction 1947 Chenin Blanc 2025

100% Chenin Blanc
Wine of Origin Bottelary, Stellenbosch

Winemaker **Danie Steytler**

This old bush vine vineyard was planted by Danie's great-grandfather in 1947. The vineyard has been registered as a single vineyard, making it the second-oldest Chenin Blanc block in the country. Originally 6 hectares in size, only 1.1 hectares of this very low-yielding, unirrigated vineyard remains, continuing to produce fruit of exceptional character and heritage.

Tasting Notes: The wine displays aromatics of delicate citrus peel and orange blossom, followed by deeper notes of untoasted almond. These aromas are underpinned by finely judged oak and flinty reduction, adding complexity and intrigue. The palate is saline, textured and rich, with a depth and persistence that carry through to a long, satisfying finish.

Lismore Estate Vineyards

Child of Venus Viognier 2025

100% Viognier
Wine of Origin Greyton

Winemaker **Samantha O'Keefe**

From a mystical vineyard that produces an ethereal wine. This extreme cool-climate Viognier is the showpiece of Lismore's terroir. Grown on shale slopes over clay in dry-land farmed vineyards, it displays concentration and a distinctive sense of place. The fruit is whole-bunch pressed and barrel fermented in 300 litre Burgundian barrels, with 20% new oak contributing further complexity and refinement.

Tasting Notes: The wine is rich, lush and decadent. Aromas of honeysuckle, peaches and dried apricots lead into a lingering saline and citrus finish. A clean, fresh acidity supports the extravagance of the nose and the palate, bringing balance and definition throughout.

Ataraxia

Under the Gavel Chardonnay 2025

100% Chardonnay
Wine of Origin Hemel-en-Aarde Ridge

Winemaker **Kevin Grant**

Ataraxia Under the Gavel Chardonnay stands apart for its single-vineyard Hemel-en-Aarde Ridge origin and unconventional “black” (hyper-oxidative) winemaking approach. Crafted exclusively for the Cape Winemakers Guild Auction, it is spontaneously fermented without malolactic fermentation or bâtonnage, preserving crystalline minerality, vibrant natural acidity and remarkable precision. A Chardonnay of purity, tension and terroir expression, with exceptional ageing potential.

Tasting Notes: An assured expression of Ataraxia’s terroir, this wine reveals layers of citrus blossom and lemon curd that unfold over subtle oak spice. The palate is defined by saline minerality and taut acidity, culminating in a long, precise finish of remarkable finesse.

Neil Ellis Wines

Knight in White Satin

100% Tempranillo
Wine of Origin Bottelary, Stellenbosch

Winemaker **Warren Ellis**

Knight in White Satin draws its name from the convergence of story and craft. Tempranillo, Spain's noble red, carries centuries of history, evoking the Crusades and the knights who rode through Iberian landscapes. Yet here, the wine is transformed by American Oak, also known as 'White Oak', whose softer character wraps the bold Spanish variety in something unexpected - satin rather than armour. This is a multi-vintage blend, where time is not a limitation but a tool.

Tasting Notes: A subtle nose reflecting dark and red cherries, violets and herbs. The palate is dense and complex, which unfolds into layers of silky, satin-like texture underpinned by fine, integrated tannins.

Kershaw Wines

Ziggurat Chardonnay 2025

100% Chardonnay
Wine of Origin Hemel-en-Aarde Ridge

Winemaker **Richard Kershaw MW**

The grapes are sourced from a block in the Hemel-en-Aarde Ridge. Made only from clone CY548, typical for giving stony, meaty and robust flavours. Hand picked and whole-bunch pressed, the wine undergoes a wild ferment, 12 months in Burgundy-coopered barrels and is assessed every eight weeks. Its low sulphites allow it to be designated a natural wine, yet it has the extract and low pH to age over the medium term.

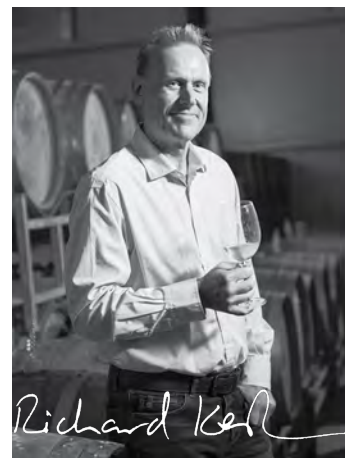

Tasting Notes: The wine reveals aromas of white peach, tangerine, laundered linen and Alpine meadows, infused with notes of spice and crushed stones. The palate is delineated by a racy acidity, underscored by a creamy oatmeal richness that brings texture and depth. A long, saline finish completes this poised and expressive wine.

Ready for drinking 2028 to 2033.

Erika Obermeyer Wines

Auction Cabernet Sauvignon 2022

100% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker **Erika Obermeyer**

At the foot of the Helderberg, Firgrove vineyards benefit from unique decomposed granite soil that nurtures the vines by allowing roots to access water and nutrients gradually during ripening. Proximity to the cold Atlantic Ocean ensures slow ripening, while persistent winds control vigour, yielding small, concentrated berries with ripe tannins. The cool 2022 vintage allowed extended hang-time, yielding perfect phenolic ripeness, vibrant acidity and superb cellar potential.

Tasting Notes: This is a Cabernet of maritime precision. Red and black fruit, together with cedar and tobacco spice, lead to a concentrated palate of structural depth. Fine, chalky tannins anchor a long, savoury finish. The overall expression is pure and refined.

A wine with extraordinary cellaring potential that will evolve beautifully for 10 to 15 years.

Survivor Wines

Tarras Doas Cabernet Franc 2023

100% Cabernet Franc
Wine of Origin Tradouw

Winemaker **Pierre Wahl**

Grapes come from Tradouw, which means “Tarras Doas” in Khoisan, or “Footpath of the Women”. Khoisan women used to walk barefoot with their children all the way to Witsand to trade goods. Harvest only takes place at the end of March. Dry conditions mean that the vineyard only gets sprayed with fungicides when absolutely necessary.

Tasting Notes: The wine highlights the purity of Tradouw terroir. Red berry aromas are enhanced by a bold intensity of paprika and red bell pepper. Medium-bodied palate with refined tannin on the finish.

A single barrel selection from a 39-year-old Chenin Blanc vineyard on the lower slopes of the Helderberg Mountain, 8 kilometres from the sea, this wine is made from low-yielding vines producing just 4 tons per hectare, resulting in a rich, concentrated wine of distinction. The grapes are pressed by hand in a traditional basket press and naturally yeast fermented in a neutral 400 litre barrel. The wine is bottled unfiltered.

The magnum format allows for slower maturation, adding depth over time while making it ideal for sharing.

This is not an everyday wine. It's for a gathering that matters, a long table, or an occasion worth remembering. Something to open with intention. Owning one is about more than rarity. It's about choosing when the moment is right – and who you share it with.

Lot 605: Abrie Beeslaar – Beeslaar Wines

A 1.5 litre bottle of Beeslaar Chardonnay 2023

Riesling has always been my first love when it comes to white wines, though it isn't ideally suited to South African conditions. Chardonnay, however, thrives here – and that's where my focus lies.

The Chardonnay magnum is a combination of four different regions, showcasing the versatility and beauty of the variety.

With only 20 magnums produced, this is an exceptionally limited release – crafted for those who appreciate rarity as much as quality.

This wine is packed in a wooden box.

Lot 606: Reenen Borman – Boschkloof Wines

4 x 1.5 litre bottles of Boschkloof Syrah 2024

Boschkloof Syrah is the wine that best captures the essence of our small property in Stellenbosch.

It is a blend of two separate vineyards rooted in granite soils and exposed to the maritime influence of False Bay. This wine showcases the enhanced perfume aromatics and texture these conditions provide.

This is the perfect wine to age in bigger format bottles.

Lot 608: David Nieuwoudt – Cederberg

6 x 750ml bottles, comprising three bottles Cederberg Black Slate Shiraz 2023 and three bottles Cederberg CWG Auction Chenin Blanc 2023

From the dramatic heights of the Cederberg mountains comes a striking six-bottle collection showcasing two distinct expressions of this unique terroir, both crafted exclusively for the Cape Winemakers Guild Auction.

Included are three bottles of the elegant 2023 CWG Auction Chenin Blanc, produced from a 23-year-old vineyard block and originally offered at the 2024 Auction, prized for its purity, tension, and finely layered citrus and stone-fruit character.

Complementing it are three bottles of the debut Black Slate Shiraz 2023, released on the 2025 Auction from vineyards rooted in black slate soils high in the mountains.

Refined yet intensely expressive, these wines capture the freshness, minerality and quiet power that define Cederberg's singular mountain vineyards.

This collection is packed in a wooden box.

Lot 609: David Sadie – David & Nadia

4 x 1.5 litre bottles comprising two bottles Aristargos 2024 and two bottles Elpidios 2023

The Aristargos 2024 shows our focus on working with Certified Heritage Vineyards (Chenin blanc, Sémillon, Colombar and Clairette blanche). We keep the backbone of this wine from granitic soils of the Paardeberg. Chenin blanc from shallow shale soils in the Paardeberg and iron-rich clay soils to the west of Malmesbury are also added. In total, grapes from 12 different vineyards were used, picked in 17 different lots, from different soils, different aspects, different vineyard ages and different maturity levels to create focused, detailed and balanced wines from our warm climate.
- **Chenin blanc (51%), Colombar (13%), Sémillon (11%), Clairette blanche (10%), Marsanne (8%), Roussanne (6%) and Grenache blanc (1%)** -

Our 2023 Elpidios includes three components that were fermented and matured in concrete square tanks – Grenache noir, Syrah and Pinotage, with the balance of wine in this blend being matured in a single 4100 litre old oak foudre and older 500 litre oak barrels. The winemaking process involves the use of 50% on average whole bunches, natural yeast, long maceration on the skins and pressing after completion of alcoholic fermentation.
- **Grenache noir (26%), Syrah (24%), Carignan (22%), Pinotage (20%) and Cinsaut (8%)** -

These wines are packed in wooden boxes.

Lot 610: David Finlayson - David Finlayson Wines

A Magnum and 6 x 750ml Vertical of Edgebaston GS Cabernet Sauvignon - 2020, 2021 & 2022

This exclusive lot comprises a 1.5 litre magnum of GS Cabernet Sauvignon 2021, accompanied by a six-bottle vertical of 750ml bottles – two each of the 2020, 2021, and 2022 vintages.

Each release has earned Platter's 5-star recognition, alongside multiple international ratings and scores exceeding 90 points between them, underscoring both consistency and pedigree.

The GS Cabernet Sauvignon is drawn each year from a single vineyard on Edgebaston, planted in 2000 to the low-yielding clones CS167 and CS46. These small-berried vines produce wines of remarkable concentration, structure, and longevity – hallmarks of one of the Cape's most age-worthy expressions of Cabernet Sauvignon.

A distinguished addition to any serious cellar collection.

Lot 611: Charles Hopkins – De Grendel Wines

3 x 1.5 litre bottles Elim Shiraz Vertical Collection - 2017, 2018 & 2019 vintages

Born in the windswept vineyards of Elim, this Shiraz captures a true sense of place, nurtured with care from vine to bottle. Its character is defined by refined rotundone nuances, unfolding in subtle layers of black pepper spice.

The fruit is hand-harvested in the cool early-morning hours to preserve its freshness and character before being carefully transported to De Grendel. There, 30% undergoes whole-bunch fermentation in open stainless-steel tanks. With a meticulous pneumatic punch-down performed four times daily, the wine develops depth, structure, and refined tannins while retaining its natural elegance.

The wine is then matured for 13 months in second and third-fill French oak barrels, allowing its terroir-driven nuances to evolve and integrate, resulting in a poised, harmonious expression with refined complexity.

On the nose, this Shiraz reveals inviting aromas of maraschino cherry, violet, and ripe blackberry. The palate opens with a soft, sweet fruit entry, unfolding into layers of luscious red plum and balanced by smooth, chocolatey tannins. A lingering finish of mulberry and gentle spice leaves a lasting impression of elegance and finesse.

These wines capture both the purity of its origin and the craftsmanship behind its creation, perfect for those seeking a refined yet expressive Shiraz.

These wines are packed in wooden boxes.

Lot 613: Morné Vrey – Delaire Graff Estate

3 x 1.5 litre bottles Delaire Graff Botmaskop Vertical Collection - 2019, 2020 & 2021 vintages

The 2019 and 2020 vintages of Delaire Graff Botmaskop present an elegant Bordeaux-style blend of Cabernet Sauvignon, Cabernet Franc, Petit Verdot, Merlot, and Malbec, while the 2021 vintage refines the composition with the omission of Malbec. These vintages showcase rich cassis and spice aromas, with intense liquorice and blackberry notes on the palate, complemented by delicate, lingering tannins, while also having excellent ageing potential, evolving beautifully over time.

Throughout their creation, every grape received meticulous care on its journey from vineyard to glass, with each stage overseen by the Estate's highly experienced viticultural and winemaking artisans. The result is a collection of wines that reveals exquisite flavours, capturing the intensity of the South African sunshine.

A piece of oenological history, this trio of magnums from the 2019, 2020, and 2021 vintages is signed by winemaker Morné Vrey and presented in an elegant wooden gift box, offering a rare and distinguished collector's set.

Lot 614: Dewaldt Heyns – Dewaldt Heyns Family Wines

6 x 750 ml bottles, comprising three bottles CWG Chenin Blanc Reserve 2024 and three bottles Saailand Shiraz 2022

The story of these wines is a deeply personal one. Growing up on a grape farm in the Paardeberg, my love for the vine ignited my passion for winemaking.

The **Chenin Blanc Reserve** is made from a small patch of vines planted by my father in 1972. In 2024, we celebrated the vineyard's 52nd anniversary and the wine's debut at the Auction. In the glass, aromas of peach, tropical fruit and pear mingle with ginger and spice. The palate is full-bodied and creamy, yet finely balanced by bright acidity, minerality, floral hints, and a subtle touch of oak.

The **Saailand Shiraz**, notable for its complexity and elegance, originates from an ultra-low-yielding, dry-land vineyard. The wine offers dark fruit aromas with notes of cherry and violet, and a hint of dried herbs. Its full-bodied mouthfeel is supported by firm but accessible tannins, culminating in a lingering finish.

The Swartland has long been known for its wheat fields (*saailande* in Afrikaans). Despite the rise of excellent vineyards, the land seems ever ready to shift back to its agricultural roots, reflecting the constant tug-of-war between viticulture and traditional farming.

Sharing these wines with you is a privilege. I hope it brings you as much joy and discovery as it has brought me in creating it.

These wines are packed in a wooden box.

Lot 615: Erika Obermeyer – Erika Obermeyer Wines

A Trilogy of Terroir: 6 x 750ml bottles of Erika O Cabernet Sauvignon, two bottles each from vintages 2018, 2019 & 2020

A Trilogy of Terroir: Three Vintages of Firgrove Cabernet Sauvignon

Experience the remarkable evolution of Firgrove's maritime-influenced landscape through three distinct seasons. Shaped by decomposed granite soils and the cooling breezes of False Bay, this collection showcases the resilience, character, and world-class finesse of Stellenbosch Cabernet Sauvignon.

2018: Resilience & Concentration

Produced during the peak of a historic drought, the 2018 vintage yielded wines of remarkable intensity and depth. Cool February conditions and timely pre-harvest rains encouraged slow, balanced ripening despite low yields. Deep ruby in colour, this Cabernet shows dark fruit, cedar and firm tannins, with the structure to mature beautifully through 2031.

2019: Finesse & Maritime Elegance

A cooler growing season and moderate summer temperatures resulted in refined colour, excellent phenolic ripeness and a confident, structured style. Balancing power with elegance, the wine reveals a lingering maritime character. With vibrant acidity and poised fruit concentration, this vintage offers a nuanced expression of the Firgrove terroir and will continue evolving over the next 15 years.

2020: Balance & Vibrant Structure

Favourable growing conditions in 2020 delivered healthy grapes and improved yields. The wine combines richness with freshness, showing concentrated flavours, vibrant acidity and elegant tannins. Its superb balance and structure ensure graceful ageing over the next decade and beyond.

This special lot brings together two exceptional vintages:

2019 Jewel Box – 85% Chardonnay, 15% Pinot Noir. In this vintage, both components were barrel fermented and matured, with a higher proportion of Chardonnay to emphasise minerality and enhance longevity. The wine spent 47 months on the lees before disgorgement.

This exclusive lot offers a rare opportunity to experience two distinct expressions of Jewel Box side by side and discover the unique character and personality that each vintage reveals.

6 x 750ml bottles Neil Ellis Auction Reserve 2005

A remarkable donation from Neil Ellis, Honorary Member of the Cape Winemakers Guild and one of South Africa's most influential winemakers.

This lot of six bottles presents the 2005 Neil Ellis Auction Reserve - a wine of exceptional pedigree sourced from the celebrated Jonkershoek Valley and matured in tight-grained French oak for 21 months.

Now approaching its twentieth year, this wine has had all the time it needs to fulfil its early promise. Deep, complex aromas of blackcurrant, violet, cedar, and mint give way to a rich, opulent palate of plummy fruit and fine tannins. A rare and historic bottle from a true Cape legend.

Lot 648: Protégé Collection – Lulo Bulo

6 x 750ml bottles of Inkonjane Chenin Blanc-Viognier-Roussanne 2025

Chenin Blanc (50%), Viognier (25%), Roussanne (25%)

This wine was made by Lulo under the mentorship of Alex Starey whilst she was at Keermont Vineyards during her second year as a Protégé.

Chenin Blanc, Viognier, and Roussanne grapes were hand-harvested from selected vineyard blocks and processed as a single batch. The fruit was whole-bunch handled and lightly crushed before overnight skin contact. After pressing, the juice was left to settle before being racked into a 500 litre French oak barrel, where primary fermentation took place naturally. The wine was then transferred to a new 225 litre French oak barrel to complete malolactic fermentation and was aged on its lees for approximately 10 months.

This dry, naturally co-fermented blend opens with complex aromatics of stone fruit and white florals. The palate is rich and finely textured, where subtle oak and lees offer depth and balance that carries through to a long, elegant finish.

The name Inkonjane, rooted in the isiXhosa expression Inkonjane ebhabha emafini - a swallow in flight - stems from Lulo's heritage and reflects the adventurous spirit, individuality, and curiosity that shaped her upbringing. Just as the swallow signifies movement and the arrival of a new season, this blend mirrors her own journey of exploration, bringing together different cultivars to capture a richness of texture and blossoming aromatics - made with the courage to pursue what lies ahead with confidence and joy.

Lot 649: Protégé Collection – Nompumelelo Mosaka

6 x 750ml bottles of Nkanyezi Blanc de Blancs 2025

100% Chardonnay

This wine was made by Nompumelelo under the mentorship of Charles Hopkins whilst she was at De Grendel Wine Estate during her second year as a Protégé.

Nkanyezi Blanc de Blancs is a Cap Classique made from 100% Chardonnay grapes grown on the slopes of Tygerberg at De Grendel. The wine was crafted with an intentional yet exploratory mindset, using a measured application of hyperoxidation at juice stage, followed by natural primary and malolactic fermentation, to explore texture, structure, and depth while preserving purity of expression. The base wine was bottled with liqueur de tirage and aged on the lees in bottle for 12 months before disgorging with no dosage.

Lively yet delicately textured, the nose opens with layered aromas of green apple and white peach, underpinned by subtle notes of yellow fruit. The palate is poised and structured, balancing freshness with depth. Natural malolactic fermentation lends a soft creaminess, while the measured hyperoxidation contributes a quiet oxidative nuance that adds subtle complexity - revealing an elegantly expressive character with a clean, delicious finish.

The name Nkanyezi, meaning “guiding star,” reflects Nompumelelo’s journey with the wine and the relationship developed over time. What initially drew her to Cap Classique was the precision and structure the style demands, but along the way this wine taught her patience, intentionality, and the importance of trusting the process. For her, sparkling wine became more than a celebratory drink - it became part of what she calls a “bubbles ritual”: moments of slowing down, reflecting, and reconnecting with oneself. Nkanyezi is an invitation to embrace bubbles not only in moments of celebration, but also in moments of pause, presence, and quiet reflection.

This wine is packed in a wooden box.

Lot 650: Protégé Collection – Pelokazi Nomfembe

6 x 750ml bottles of Between Seasons Chardonnay 2025

100% Chardonnay

This wine was made by Pelokazi under the mentorship of Gordon Newton Johnson whilst she was at Newton Johnson Family Vineyards during her second year as a Protégé.

The grapes were hand-harvested and whole-bunch pressed directly to barrel without settling, preserving texture and vineyard character. Fermentation took place naturally in a combination of new and older French oak barrels using indigenous yeasts. The wine remained on gross lees for 11 months, allowing texture, complexity, and integration to develop naturally. Both alcoholic and malolactic fermentations occurred spontaneously, with minimal intervention throughout. No acid adjustments were made, as the fruit achieved natural balance at harvest. After ageing, the barrels were blended, lightly filtered, and bottled.

This dry Chardonnay sits delicately between richness and freshness, with oak that adds structure without overpowering and fruit that is present yet restrained. Layers of citrus, stone fruit, and subtle vanilla unfold slowly, complemented by a gentle buttery texture balanced by vibrant natural acidity - elegant, thoughtful, and composed.

The name Between Seasons reflects a time of transition, both for the vineyard and for Pelokazi personally - a period of growth, uncertainty, resilience, and quiet transformation. Made while working toward the Cape Winemakers Guild Protégé Program, this wine represents the in-between space where growth happens quietly, where patience and faith are required before clarity arrives. It is a reflection of where she came from, where she was headed, and the person she was becoming in between.

Lot 651: Protégé Collection – Sizeka Mpupu

6 x 750ml bottles of Umzila Pinot Noir 2025

100% Pinot Noir

This wine was made by Sizeka Mpupu under the mentorship of Hannes Storm at Storm Wines during her second year as a Protégé.

Fruit was sourced from three single vineyards spanning all three wards of the Hemel-en-Aarde — the Hemel-en-Aarde Valley, Upper Hemel-en-Aarde Valley, and Hemel-en-Aarde Ridge. The grapes were hand-picked, sorted, destemmed and naturally fermented in open stainless steel tanks, with gentle manual punch-downs throughout to extract colour and aroma. After pressing, the wine was transferred to 228 litre French oak barrels for malolactic fermentation and maturation, spending 11 months in barrel followed by 7 months in bottle. It was bottled unfiltered to preserve texture, complexity and site expression, in keeping with a minimal-intervention philosophy.

Expressive aromas of dark cherry, red fruits and floral perfume unfold on the nose, while the palate is fresh and refined, supported by vibrant acidity and fine, silky tannins, with subtle savoury notes adding depth and complexity.

The name Umzila means “the paths.” This wine represents Sizeka’s journey through the CWG Protégé Programme and the opportunities that mentorship has opened. By drawing fruit from all three wards of the Hemel-en-Aarde, she sought to express both her growth as a winemaker and the diversity of Pinot Noir from this cool Walker Bay appellation.

2. CONDITIONS MAINLY CONCERNING BUYERS

2.1. Registration

- 2.1.1. Every bidder shall be deemed to act as principal unless, prior to the commencement of any auction, Strauss & Co is provided with a written acknowledgement from a third party in respect of whom a particular bidder is acting as agent, which acknowledgement must (i) identify the third party principal; (ii) be accompanied by all relevant information required under all applicable South African or international laws or otherwise and all documentation referred to in clauses 2.1.3 and 2.1.4 in respect of that third party principal (as if that third party principal were to register as a bidder); (iii) confirm that that particular bidder is acting on behalf of that third party principal; (iv) be signed by that third party principal; and (v) otherwise be in form and substance acceptable to Strauss & Co.

- 2.1.2. The parties record and agree that the person who registers as bidder in accordance with the provisions of clauses 2.1.3 and 2.1.4 shall be the bidder for purposes of any communication and other documents exchanged between the bidder or buyer and Strauss & Co, including, without limitation, any invoices and statements issued by Strauss & Co. It is further recorded that, notwithstanding that the bidder is acting as agent for a third party, all invoices and statements will be made out in the name of the bidder and not the third party in respect of whom the bidder is acting.
- 2.1.3. All bidders wishing to make bids in respect of any lot must complete an online, printed or telephonic bidder registration form within 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) prior to the commencement of any auction, which registration form will include an acknowledgement by the bidder that he is acquainted with and bound by these general conditions of business. Bidders shall be personally liable for their bids made during any auction and shall be jointly and severally liable with their principals if acting as agent.

 - a. certificate of incorporation, memorandum of incorporation or equivalent document(s) showing the name and registered address together with documentary proof, in the case of companies, of directors and direct and indirect shareholders and, in the case of close corporations, members; and

 - (i) the bidder, authorising the bid and the bidder to do all such things, take all such actions and sign all such consents, notices and/or documents, as may be required in respect of and relating to the bid; and
 - (ii) any third party in respect of whom the bidder is acting as agent, authorising the bid and the bidder to act as agent of behalf of such third party in respect of the bid and to do all such things, take all such actions and sign all such consents, notices and/or documents, as may be required in respect of and relating to the bid; or
 - a. a letter on the letterhead of the bidder and any third party in respect of whom the bidder is acting as agent (to the extent applicable) which letter is signed by a duly authorised representative who warrants that he/she is duly authorised and which includes –

 - (i) for trusts, partnerships, offshore companies and other juristic persons: the bidder will be required to contact Strauss & Co by no later than 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) prior to the commencement of any auction to ascertain the information required by Strauss & Co, as well as such additional information as Strauss & Co may require whether in terms of the Financial Intelligence Centre Act, 2001 or otherwise.
- 2.1.5. In the event that a buyer purchases any lot or item of jewellery, luxury items or watches with a hammer price or a sale price, as the case may be, equal to or more than the prescribed amount, the parties record and agree that Strauss & Co shall be entitled to provide the information referred to in paragraph 2.1.4 above, in respect of such buyer, to the financial intelligence centre established in accordance with the Financial Intelligence Centre Act, 2001.
- 2.1.6. Bidders may be required to pay a holding deposit to Strauss & Co, as determined by Strauss & Co in its sole and absolute discretion, at least 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) before the commencement of any auction.
- 2.1.7. If, in Strauss & Co's opinion, the documentation and information provided by a person wishing to register as bidder in terms of this clause 2.1 does not meet the requirements of this clause 2.1 or any relevant legislation, Strauss & Co may refuse to register such person as a bidder.
- 2.1.8. In addition to and without limiting the provisions of clause 7 below, in the case of any online registration to bid or any online registration to buy a lot on the immediate-to-purchase platform, a person wishing to register as a bidder must register for and maintain an active personal user account ('account'). In order to register for an account, a person must be at least 18 years of age, or the age of legal majority in such person's jurisdiction. The bidder agrees to maintain accurate, complete and up-to-date information in the bidder's account. The bidder is responsible for all activity that occurs under the bidder's account, and, in addition to the obligations below, the bidder agrees to be responsible for ensuring that the security and secrecy of the bidder's account, username and password is maintained at all times. The bidder may not assign or otherwise transfer his/her account to any other person or entity. The bidder agrees not to share usernames or passwords with other users and to always log out of his/her account or apply a password protected screenlock or other security mechanism before leaving his/her device unattended.
- ## 2.2. Bidding
- 2.2.1. The bidder shall be entitled to place a bid (whether on the online auction portal or otherwise) in respect of a lot that is sold by way of a live auction prior to the commencement of a live auction. Such bid shall only be executed when the auctioneer opens the bidding in respect of a lot. The bidder shall be entitled to execute the bid (or additional bids) in respect of a lot that is sold by way of a live auction until the moment prior to the auctioneer closing the bidding in respect of such lot.
- 2.2.2. Any dispute of whatever nature about any bid or about the identity of the buyer (including, without limitation, any dispute about the validity of

any bid, or whether a bid has been made, or any dispute between two or more bidders or between the auctioneer and one or more bidders), in the case of a live auction, shall be determined at the auctioneer's sole and absolute discretion.

- 2.2.3. The bidder acknowledges that Strauss & Co or the auctioneer, as the case may be, shall be entitled to –
 - 2.2.3.1. refuse to accept any bids;
 - 2.2.3.2. cancel any bids already placed by a bidder;

- 2.2.4. Persons wishing to bid by telephone during the course of a live auction must make proper arrangements with Strauss & Co in connection with such bids at least 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) before the commencement of the auction (**'live telephone bids'**). The bidder agrees that Strauss & Co will not be responsible for losses arising from live telephone bids that are not executed and/or incorrectly recorded.
- 2.2.5. The parties acknowledge that, should identical bids be received in respect of the same lot at any auction, Strauss & Co or the auctioneer will give precedence to the first bid received.
- 2.2.6. The contract between the buyer and the seller of any lot shall be deemed to be concluded on the striking of the auctioneer's gavel at the hammer price finally accepted by the auctioneer (which also usually includes the auctioneer noting the paddle number of the buyer in the case of a live auction) and after determination of any dispute that may exist. Where a lot remains unsold (usually where the auctioneer's gavel is struck without a hammer price and without noting a paddle number, or where the auctioneer's gavel is struck followed by the word **'pass'**), no such contract between a buyer and the seller is concluded. Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer.
- 2.2.7. Strauss & Co will accept:
 - 2.2.7.1. bids executed by bidders in person in the auction room (except in the case of an online auction);
 - 2.2.7.2. live telephone bids which may include emergency bids (except in the case of an online auction);
 - 2.2.7.3. commission bids; and/or
 - 2.2.7.4. bids placed and executed via the online auction portal as contemplated in clause 2.2.1 above.
 - 2.2.7.5. All bids may be recorded and all bidders consent to such recording (if any).
- 2.3. **Commission bids**
 - 2.3.1. Strauss & Co may, from time to time, agree to execute bids on behalf of a bidder ('commission bids'). A bidder can instruct Strauss & Co in respect of a commission bid as follows:

- 2.3.1.1. by telephone;
- 2.3.1.2. by way of the website and/or online auction portal; or
- 2.3.1.3. by way of written instruction.
- 2.3.2. When instructing Strauss & Co on a commission bid, the bidder shall be required to state the maximum amount which the bidder is willing to bid on a particular lot (**'maximum bid'**). The maximum bid is exclusive of the buyer's premium and any other costs for which the buyer is or will become liable as provided for in these conditions of business.
- 2.3.3. In the event that the bidder requires Strauss & Co to execute a commission bid on more than one lot at an auction, the bidder shall be required to provide Strauss & Co with a separate commission bid in respect of each such lot.
- 2.3.4. The parties agree that all commission bids are placed at the bidder's sole risk and that Strauss & Co shall not be liable for any losses incurred by the bidder, the buyer or the seller, as the case may be, irrespective of whether such loss occurred due to any human error on the part of the auctioneer, Strauss & Co or any of its employees or agents. For example, the bidder agrees that Strauss & Co shall not be liable for any loss incurred by the bidder as a result of any error in relation to the maximum bid and/or the lot in respect of which a commission bid is to be exercised.
- 2.3.5. It is the responsibility of all prospective bidders to ensure that all commission bids are received by Strauss & Co by no later than 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) prior to the commencement of an auction.
- 2.3.6. Subject to clause 2.3.7, it is recorded that the bidder shall only be entitled to increase or decrease the maximum bid:
 - 2.3.6.1. in the case of a live auction, up to 2 hours before a live auction is scheduled to commence; or
 - 2.3.6.2. in the case of an online auction, up to 2 hours before an online auction is scheduled to close.
- 2.3.7. Notwithstanding clause 2.3.6, the bidder shall not be entitled to decrease the maximum bid after the maximum bid has been executed by Strauss & Co on behalf of the bidder.
- 2.3.8. Strauss & Co may, in its sole and absolute discretion, request a bidder who placed a commission bid via telephone, to confirm such bid in writing before the commencement of an auction, failing which Strauss & Co shall be under no obligation to execute such bid received by telephone.
- 2.3.9. In the event that Strauss & Co receives identical commission bids in respect of the same lot, which commission bids have the same maximum amount, the commission bid received first in time will take precedence over the other commission bids, however, such bids, which are referred to as **'push bids'**, will still be recorded in the bidding history of a lot.
- 2.3.10. Nothing in these general conditions of business shall prevent a bidder whose bid is considered to be a push bid, from increasing the maximum amount of his/her commission bid, provided that such maximum amount is increased within the timeframe contemplated in clause 2.3.6.

2.4. Connectivity and technical issues

- 2.4.1. The parties agree that broadband and other internet capacity issues, firewalls and other technical related problems are beyond the reasonable control of Strauss & Co and may result in, inter alia, some bids not being received on time or not being executed at all.
- 2.4.2. The parties further agree that any bidder who makes use of the online auction portal or any other platform that requires a broadband or other internet connection to place a bid or a commission bid, does so at his / her own risk and that Strauss & Co shall not be liable to the bidder for any loss which the bidder may incur as a result of any broadband and other internet capacity, firewalls and/or technical related issues. The user acknowledges that the website may be subject to malfunctions and delays inherent in the use of the internet and electronic communications. Strauss & Co HEREBY DISCLAIMS ANY LIABILITY FOR ANY DELAY IN, THE UNAVAILABILITY OR INACCESSIBILITY OF THE WEBSITE.

2.5. Examination of lots

- 2.5.1. It is the responsibility of all prospective bidders to examine and satisfy themselves as to the condition of each lot prior to the auction, and that the lot matches any oral or written description provided by Strauss & Co. All illustrations of a lot in any catalogue or condition report are intended merely as guidance for bidders and do not provide definitive information as to colours, patterns, condition or damage to any lot (including, without limitation, any picture frame). Strauss & Co does not guarantee the working order of electrical and/or mechanical fittings, clocks and watches and cannot be held responsible for any losses incurred by a buyer as a result of any defects in the working order of electrical and/or mechanical fittings, clocks and watches.
- 2.5.2. Strauss & Co shall not be liable for any error, misstatement or omission in the description and/or condition of a lot (whether in any catalogue, condition report or otherwise), unless Strauss & Co, its employees or agents, are engaged in intentional misleading or deceptive conduct.
- 2.5.3. In bidding for any lot, all bidders confirm that they have not been induced to make any bid or offer by any representation made by the seller or Strauss & Co.
- 2.5.4. Certain words used in the catalogues prepared by Strauss & Co to describe a lot have special meanings. The meaning of such words are set out in out in **Annexure A** below.

2.6. Exclusions and limitations of liability to buyers; passing of risk

- 2.6.1. If a lot sold to a buyer proves to be a forgery (which will only be the case if an expert appointed by Strauss & Co for such purpose confirms same in writing), the buyer may (as the buyer's sole remedy hereunder or at law) return the lot to Strauss & Co in the same condition in which it was as at the date of sale, together with a written statement by the buyer detailing the defects to the lot (if any), the date of the sale and the number of the lot, provided that such lot is returned by the buyer within 12 months of the date of sale. Should Strauss & Co be satisfied in its sole and absolute discretion that the lot is a forgery, that the lot is in the

same condition in which it was as at the date of sale and that the buyer is capable of transferring good and marketable title to the lot to a third party purchaser thereof, free from any encumbrances and other third party claims, the sale of that lot shall be set aside and the purchase price of that lot shall be refunded to the buyer, provided that Strauss & Co has not yet paid the sale proceeds to the seller. In the event that a lot sold to a buyer proves to be a forgery as contemplated above, and Strauss & Co has already paid the sale proceeds to the seller, the seller shall be liable to refund the purchase price to the buyer. Without limiting the generality of the provisions of this clause 2.6, it is specifically recorded that the buyer shall have no claims against Strauss & Co, whether under these general conditions of business or otherwise.

- 2.6.2. The rights afforded to the buyer in terms of this clause 2.6 may not be transferred or ceded to a third party and shall always rest exclusively with the buyer.
- 2.6.3. Neither Strauss & Co nor the seller:
 - 2.6.3.1. shall be liable for any omissions, errors or misrepresentations in any information (whether written or otherwise and whether provided in a catalogue or otherwise) provided to bidders and buyers, or for any acts or omissions in connection with the conduct of any auction or for any matter relating to the sale of any lot, including when caused by the negligence of the seller, Strauss & Co, their respective officers, directors, employees and/or agents;
 - 2.6.3.2. gives any guarantee or warranty to bidders or buyers other than those expressly set out in these general conditions of business (if any), and any implied conditions, guarantees and warranties are excluded.
- 2.6.4. Without prejudice to any other provision of these general conditions of business, any claim against Strauss & Co and/or the seller of a lot by a bidder or buyer shall be limited to the purchase price of the relevant lot. Neither Strauss & Co nor the seller shall be liable for any indirect or consequential losses.
- 2.6.5. The risk in and to a purchased lot shall pass to the buyer in all respects from 24 hours from the fall of the gavel, being the moment a lot is sold to the buyer, whether or not payment has been made, and neither Strauss & Co nor the seller shall thereafter be liable for, and the buyer indemnifies Strauss & Co, its officers, directors, employees, agents and the seller against, any loss or damage of any kind, including whether caused by the negligence of Strauss & Co and/or its officers, directors, employees, agents and/or the seller. Ownership of and benefit in and to a purchased lot shall only pass to the purchase when the purchase price has been paid in full as provided for in clause 2.13.
- 2.6.6. Strauss & Co does not accept any responsibility, losses or liability for or in respect of lots damaged by, inter alia, insect infestation, changes in atmospheric conditions or other conditions outside its control or for the condition of any glass or picture frames. Strauss & Co shall not be obliged to provide picture frames for any lot, unless such frame forms part of the lot and has been described as such in any catalogue. If a lot is sold with a picture frame such picture frame shall be provided to the buyer on a voetstoots basis.

2.7. Insurance

- 2.7.1. Unless Strauss & Co and the buyer have otherwise agreed in writing, Strauss & Co will, at its cost, and for the period until 24 hours after the fall of the gavel (i.e. the moment at which the sale is concluded and the risk passes to the buyer as stipulated in clause 2.6.5), insure all lots consigned to it or put under its control for sale pursuant to a property receipt form and may, at its discretion, insure property placed under its control for any other purpose for as long as such objects or property remain at Strauss & Co's premises or in any other storage depot chosen by Strauss & Co.
- 2.7.2. All buyers are required to arrange for their own insurance cover for purchased lots effective from 24 hours after the fall of the gavel (i.e. the conclusion of the sale and passing of risk to the buyer as stipulated in clause 2.6.5), for purposes of protecting their interests in and to the purchased lot.
- 2.7.3. The sum for which Strauss & Co so insures any object shall not be construed as a warranty or representation by Strauss & Co as to the value thereof.
- 2.7.4. If any payment is made to Strauss & Co under its own insurance policy, in the event of loss or damage to any object which occurs after the fall of the gavel (i.e. after the sale of the object to the buyer) but before the expiration of 24 hours after the fall of the gavel (i.e. the moment at which the risk passes to the buyer as stipulated in clause 2.6.5), Strauss & Co shall pay such amount to the buyer. All lots insured by Strauss & Co shall be insured, in the case of total loss of such lot, for an amount equal to the hammer price of such lot plus buyer's premium plus buyer's liability towards the cost of catalogue entries, if applicable, plus VAT on the total, or, in the case of damage to such lot which, in the sole discretion of Strauss & Co, is capable of being repaired and the lot restored to a condition equivalent to or substantially the same as but no better or more extensive than its condition as recorded in the cataloguing process, for an amount equal to the cost of restoration or repair by an expert nominated by Strauss & Co in its sole discretion.

2.8. Import, export and copyright restrictions

- 2.8.1. Save for the representations and warranties expressly set out herein, Strauss & Co and the seller make no representation or warranties, and accept no liability, to the bidder, the buyer or any other third party as to whether any lot is subject to export, import or copyright restrictions or pre-emptive or other rights to purchase by government or regulatory authorities.
- 2.8.2. It is the buyer's sole responsibility to comply with the applicable export and/or import legislation.
- 2.8.3. The buyer shall not be entitled to cancel any sale as a result of the buyer being unable to obtain the necessary export and/or import permits, licences or authorisations. The failure by the buyer to obtain the necessary export and/or import permits, licences or authorisations in respect of a lot purchased at an auction, by way of private treaty or via the immediate-to-purchase platform, shall not extinguish the buyer's obligation to

make payment of the purchase price in respect of such lot, nor shall it terminate the buyer's ownership of such lot.

- 2.8.4. In this regard, and without limiting the generality of the foregoing, buyers and bidders are advised that:
 - 2.8.4.1. Any lot made of or incorporating (irrespective of percentage) materials from endangered and/or other protected species of plants and/or wildlife shall be marked with the symbol * in the lot description or identified in the lot description as such. Notwithstanding the above-said, Strauss & Co shall not be liable for errors in the description, or for failing to mark a lot as containing endangered and/or protected species.
 - 2.8.4.2. Certain works of art, collectors' pieces and antiques may be regarded as prohibited and/or restricted in South Africa and would require specific permits and approvals.
 - 2.8.4.3. Certain countries regulate the movement of antiquities and cultural items, which in some cases are subject to a right of pre-emption or compulsory purchase by the country from which they are to be imported.
 - 2.8.4.4. If a lot has been imported for sale in South Africa, a buyer who is a citizen of South Africa will also be required to pay the importation VAT in respect of such lot. All lots that have been imported for sale, and in respect of which importation VAT is payable by a South African buyer, shall be marked with the symbol † in the lot description or identified in the lot description as such ('**daggered lots**'). Notwithstanding the aforesaid, Strauss & Co shall not be liable for errors in the description, or for failing to mark a lot as being a daggered lot, and should the lot be subject to importation VAT and Strauss & Co has made an error in the description, or failed to mark a lot as being a daggered lot, the buyer shall remain liable for the importation VAT.

2.9. Items containing gold or traces of gold

- 2.9.1. VAT shall be levied in respect of any lot or item of jewellery, watches or luxury items sold by Strauss & Co, on behalf of the seller, if –
 - 2.9.1.1. such lot or item of jewellery, watches or luxury items contains gold or traces of gold; and
 - 2.9.1.2. both the seller and the buyer in respect of such lot or item of jewellery, watches or luxury items are registered VAT vendors.
- 2.9.2. If both requirements contemplated in clauses 2.9.1.1 and 2.9.1.2 are met, Strauss & Co shall indicate on the invoice issued by it pursuant to clause 2.13.7, that no VAT will be levied by Strauss & Co and that it shall be the sole responsibility of the buyer to pay the VAT portion in respect of such sale to the South African Revenue Service.
- 2.9.3. In addition to the above, Strauss & Co shall be required to provide the seller with all information reasonably required by the seller to account for the sale of any items which meet the requirements of both clauses 2.9.1.1 and 2.9.1.2 above.

2.10. Post-Auction Sales

- 2.10.1. If any lot remains unsold after an auction or on the immediate-to-purchase platform, but is still at the premises of Strauss & Co, a prospective buyer will have the right to submit a post-auction offer to Strauss & Co on the seller's behalf as set out in clauses 3.1.6 and 3.1.7.

- 2.10.2. Any post-auction offer made by a prospective buyer:
- 2.10.2.1. will be binding on such prospective buyer until he/she/it advises Strauss & Co otherwise in writing;
- 2.10.2.2. will be presented by Strauss & Co, at its sole discretion, to the seller in question for consideration, and such seller will have the discretion to accept or decline post-auction offer, even if such offer was made at or above the reserve set for the auction in question;
- 2.10.2.3. may form part of a group of multiple post-auction offers made in respect of the same lot, in which case it will be at the sole discretion of Strauss & Co which offer(s) to present to the seller;
- 2.10.3. Buyer's premium and VAT will be applicable to post-auction offers, and the other terms of these Conditions of Business will apply, mutatis mutandis, to all post-auction offers.
- 2.11. Conduct of the auctioneer**
- 2.11.1. The auctioneer has the sole and absolute discretion to withdraw or reoffer lots for sale, to accept and refuse bids and/or to reopen the bidding on any lots should he believe there may be a dispute of whatever nature (including, without limitation, a dispute about the validity of any bid, whether a bid has been made, whether between two or more bidders or between the auctioneer and any one or more bidders) or an error of whatever nature, and may further take such other action as he in his sole and absolute discretion deems necessary or appropriate at or in respect of any auction. The auctioneer shall commence and advance the bidding or offers for any lot in such increments as he considers appropriate.
- 2.11.2. The auctioneer shall be entitled within its sole and absolute discretion to determine the starting bid in respect of each lot offered for sale by means of a live auction.
- 2.11.3. The auctioneer may place consecutive bids on any lot on the seller's behalf up to the reserve.
- 2.11.4. The auctioneer has the sole and absolute discretion to accept or refuse bids from bidders that differ from the increments he was proposing.
- 2.11.5. If an auction is affected by any connectivity, technical, software or related issues, the auctioneer shall be entitled in its sole and absolute discretion to: (i) extend the duration of any auction; (ii) withdraw or reoffer lots for sale; (iii) to accept and refuse bids; (iv) reopen the bidding on any lots; and/or (v) take any other action to protect the interests of the sellers, the bidders and/or the buyers.
- 2.12. No cancellation or returns**
- 2.12.1. No statutory 'cooling off' period shall apply in respect of the sale of any lot. A buyer shall accordingly not be entitled to rescind any sale or request a refund of any payment pertaining thereto after his bid has been finally accepted by the auctioneer or the online auction portal, as the case may be, save in the circumstances expressly provided for in these general conditions of business.
- 2.13. Payment and collection; passing of ownership and benefit**
- 2.13.1. A buyer's premium shall be payable by the buyer to Strauss & Co in respect of the sale of each lot. The buyer acknowledges that Strauss & Co may also be entitled to a seller's commission payable by the seller and/or other fees for or in respect of that lot, including handling fees.
- 2.13.2. Unless otherwise agreed in advance, the buyer shall make full payment of the purchase price to Strauss & Co by no later than 2 days after the date of sale (being from the fall of the auctioneer's gavel) (or on such other date as Strauss & Co and the buyer may agree upon in writing) by credit card, direct deposit or electronic funds transfer into the bank account of Strauss & Co for same day value, free from the cost of transfer of funds and without any deduction, set-off or withholding, or such other payment method as Strauss & Co may be willing to accept. Strauss & Co does not accept any cheques or cash and does not accept any credit cards other than American Express, MasterCard and Visa.
- 2.13.3. As provided for in clause 2.6.5 above, ownership of and benefit in and to a lot shall not pass to the buyer thereof until Strauss & Co has received settlement of the purchase price of that lot in full and in clear funds. Strauss & Co shall not be obliged to release a lot to the buyer prior to receipt in full of the purchase price and handling fees (if any).
- 2.13.4. Any payments made by a buyer to Strauss & Co may be applied by Strauss & Co towards any sums owing by the buyer to Strauss & Co on any account whatsoever and without regard to any directions of the buyer or his agent.
- 2.13.5. The buyer shall be and remain responsible for any removal, storage, or other charges for any lot and must, subject to the provisions of clause 6, at his own expense ensure that the lot purchased is removed immediately after the auction (unless otherwise agreed to between Strauss & Co and the buyer), provided that the purchase price has been paid in full.
- 2.13.6. If the sale of any lot is legally annulled, rescinded, set aside, cancelled or nullified by the buyer, and Strauss & Co has paid the sale proceeds to the seller, the seller shall immediately refund the full sale proceeds to Strauss & Co, who will in turn refund the purchase price to the buyer, and make the lot available to the seller for collection, unless the sale of a lot is annulled, rescinded, set aside, cancelled or nullified by the buyer or Strauss & Co as a result of such lot being proven to be a forgery. Any annulment, rescission, cancellation or nullification of the sale shall not affect the seller's obligation to pay the seller's commission to Strauss & Co and/or to reimburse any recoverable expenses incurred by Strauss & Co and/or handling fees (if any).
- 2.13.7. If applicable, Strauss & Co will issue a valid tax invoice and apply the applicable rate of VAT, irrespective of whether or not Strauss & Co acts as agent on behalf of the seller or as principal, in line with the requirements of the VAT Act.

2.14. Remedies for non-payment or failure to collect.

Without prejudice to any rights that the seller may have and subject to clause 6, if any lot is not paid for in full or removed in accordance with the provisions of clause 2.13, or if there is any other breach of these general conditions of business by the buyer, Strauss & Co as agent of the seller shall, at its sole and absolute discretion and without limiting any other rights or remedies that may be available to it or the seller hereunder or at law, be entitled to exercise one or more of the following remedies:

- 2.14.2. to remove, store (at Strauss & Co's premises or a storage facility chosen at the sole and absolute discretion of Strauss & Co and at the cost and expense of the buyer) and insure the lot at the buyer's sole risk and expense;
- 2.14.3. to retain the buyer's full deposit (if any) and set off any amounts owed to the buyer by Strauss & Co against such deposit;
- 2.14.4. to rescind the sale of that or any other lots sold to the buyer at the same or any other auction;
- 2.14.5. to set off any amounts owed to the buyer by Strauss & Co against any amounts owed to Strauss & Co by the buyer for the lot;
- 2.14.6. to reject future bids and offers on any lot from the buyer;
- 2.14.7. to institute legal proceedings and/or any other remedies and/or enforce any other rights available to it in any applicable South African or international law against the buyer, including without being limited, a claim for damages;
- 2.14.8. to resell the lot or cause it to be resold by auction, private treaty or on the immediate-to-purchase platform, with estimates and reserves at Strauss & Co's sole and absolute discretion, in which event the buyer shall be liable for any shortfall between the original purchase price and the amount received on the resale of the lot, including all expenses incurred by Strauss & Co and the seller in such resale;
- 2.14.9. to exercise a lien over any of the buyer's property in Strauss & Co's possession, applying the sale proceeds in respect of such property to any amounts owed by the buyer to Strauss & Co;
- 2.14.10. to retain that or any other lots sold to the buyer and to release such lots only after payment of the total amount due and owing by the buyer to Strauss & Co in respect of all such lots;
- 2.14.11. to disclose the buyer's details to the seller to enable the seller to institute legal proceedings against the buyer;
- 2.14.12. to charge interest at a rate not exceeding the prime rate plus 3% per month on the total amount due by the buyer to the extent that it remains unpaid after the 2nd day after the date of sale; and/or
- 2.14.13. if the purchase price for the lot is paid for in full but remains uncollected after 2 months of the auction (or such other period as may be determined by Strauss & Co in its sole and absolute discretion), Strauss & Co shall be entitled to resell the lot by auction, private treaty or on the immediate-to-purchase platform, with estimates and reserves at Strauss & Co's sole and absolute discretion and to store the lot, as contemplated in

clause 2.14.1, pending resale. The sale proceeds of such lot will be forfeited in favour of Strauss & Co unless collected by the buyer within 2 months of the date of the resale, in which case all expenses incurred by Strauss & Co in respect of such resale, any other amounts due by the buyer to Strauss & Co and any handling fees (if any) shall be deducted from such sale proceeds.

3. CONDITIONS MAINLY CONCERNING SELLERS

3.1. Strauss & Co's powers

- 3.1.1. The seller irrevocably instructs Strauss & Co to offer for sale at an auction all objects submitted for sale by the seller and received and accepted by Strauss & Co and to sell same to the relevant buyer of the lot of which those objects form part, provided that the bid or offer accepted from that buyer is equal to or higher than the reserve on that lot, all on the basis set out in these general conditions of business and in particular subject to clauses 3.1.6 and 3.1.7. - 3.1.3. The provisions of clause 2.1.4 shall apply, mutatis mutandis, in respect of information required from the seller as well as any third party in respect of whom the seller is acting as agent.
- 3.1.4. - 3.1.7. If any lot submitted for sale by the seller and received and accepted by Strauss & Co in accordance with clause 3.1.1 was unsold on auction, and if Strauss & Co receives an offer from a buyer, then Strauss & Co may proceed to sell same (taking into account the deduction of the applicable seller's commission, recoverable expenses and all handling fees (if any)), whether by private treaty at Strauss & Co's premises or on the commerce portions of the website or otherwise, after contacting the seller and obtaining confirmation from the seller that Strauss & Co may proceed to do so as provided for in clause 3.1.1. Where an object is made available for sale by private treaty, Strauss & Co will sell the object on behalf of the seller to the buyer at the purchase price determined and agreed to by the seller. The provisions of, inter alia, clauses 2.1, 2.6, 2.8, 2.12, 2.13 and 2.14 of these general conditions of business will apply with the necessary changes to all sales by private treaty and if wine is sold by private treaty then the provisions of, inter alia, clause 6 of these general conditions of business will also be of application to all sales of wine by private treaty.

- 3.1.9. In the event that Strauss & Co finds that an object sub-mitted for sale by a seller constitutes a forgery, Strauss & Co shall not be obliged to return such object to the seller. Without limitation to any of Strauss & Co's statutory obligations, Strauss & Co shall furthermore be entitled to notify SAPS, or any other relevant authority, that it is in possession of a forgery and shall also be entitled to hand such object over to SAPS, or any other relevant authority.

- 3.3.1. Any estimate provided by Strauss & Co to the seller is a mere statement of opinion based on the research done by Strauss & Co and should not be relied upon as a true reflection of the hammer price which a lot may achieve at a sale. Strauss & Co reserves the right to revise the estimate at any time, it being recorded that Strauss & Co will always consult the seller before revising the estimate.
- 3.3.2. The seller acknowledges that Strauss & Co is entitled to rely on the accuracy of the description of a lot as provided by or on behalf of the seller. However, in the event that such description differs from the research done by Strauss & Co for purposes of determining the estimate, Strauss & Co shall be entitled to disregard the description provided by the seller for purposes of compiling any catalogue and/or determining the estimate.
- 3.3.3. Strauss & Co shall not be liable for any error, misstatement or omission in the description of a lot (whether in any catalogue or otherwise), unless Strauss & Co, its employees or agents, engaged in intentional misleading or deceptive conduct.
- 3.3.4. Where a seller disagrees with the estimate and reserve provided by Strauss & Co and insists on an estimate and reserve that is higher than the estimate provided by Strauss & Co (and/or its specialists) in respect of a lot and in the opinion of Strauss & Co (and/or its specialist) (in its sole and absolute discretion) such higher estimate and reserve is not in line with market-related values of such lot, Strauss & Co shall be entitled, in the event that such lot is not sold at an auction, to charge the seller a **'bought-in fee'** or **'unsold fee'** equal to an amount of 2.5% of the middle estimate determined by Strauss & Co, in addition to the recovery of all recoverable expenses and all handling fees (if any) from the seller incurred by Strauss & Co in respect of such lot.

3.4. Warranties of the seller

- 3.4.1. The seller warrants to Strauss & Co and to the buyer that:
 - 3.4.1.1. he is the true owner of all objects submitted for sale and/ or is properly authorised by the true owner to do so, and that he is able to transfer good and marketable title to all such objects, free from any encumbrances and other third-party claims, to the buyer of the lot of which those objects form part;
 - 3.4.1.2. he has complied with all the applicable requirements, legal or otherwise, in relation to the sale and any export or import of the lot, if applicable, and has notified Strauss & Co in writing of any failure by third parties to comply with such requirements in the past;
 - 3.4.1.3. the lot and any written provenance given by the seller are authentic and true and correct;
 - 3.4.1.4. the lot is fit for its purpose and safe if used for the purpose for which it was designed and is free from any defect or deterioration not obvious on external inspection and free from any defect or deterioration not specified in the property receipt, consignment and cataloguing process; and
 - 3.4.1.5. to the extent that the seller required any approval, licence, consent, permit or clearance by law to be in possession of any lot or for the sale of any lot, he is in possession of a valid approval, licence, consent, permit and clearance.
- 3.4.2. Notwithstanding any other provision of these general conditions of business, none of Strauss & Co, its employ-ees or agents is responsible for any errors of description or for the authenticity of any lot, and no warranty what-ever is given by Strauss & Co, its employees or agents, to any buyer in respect of any lot (save insofar as the seller is concerned as set out in these general conditions of busi-ness), and all express or implied conditions or warranties are hereby excluded.
- 3.4.3. The seller of any object forming part of a lot not held by Strauss & Co at the auction premises warrants and undertakes to Strauss & Co and the buyer that the rele-vant object will be available and in a deliverable state on demand by Strauss & Co and/or the buyer.
- 3.4.4. The seller agrees to indemnify and keep indemnified Strauss & Co, its officers, directors, employees, agents and the buyer against any loss or damage suffered by either of them as a consequence of any breach of any warranty in these general conditions of business.
- 3.4.5. The seller agrees that Strauss & Co may, in its sole and absolute discretion refuse to sell any object submitted for sale, irrespective of any previous acceptance to sell. The seller further accepts that Strauss & Co is under no obligation to provide reasons in relation to the refusal thereof.

3.5. Commission and expenses

- 3.5.1. Seller's commission shall be payable by the seller to Strauss & Co in respect of the sale of each lot comprising one or more objects submitted by the seller for sale. The seller acknowledges that Strauss & Co may also receive a buyer's premium payable by the buyer and other fees for or in respect of that lot. Without derogating from the seller's obligation to pay the seller's commission, any recoverable expenses and all handling fees (if any), the seller irrevocably authorises Strauss & Co to deduct from

the hammer price of any lot the seller's commission, all such recoverable expenses and all handling fees (if any).

- 3.5.2. Strauss & Co may deduct and retain the seller's commis-sion, the recov-erable expenses and all handling fees (if any) from the amount paid by the buyer for the lot as soon as the purchase price, or part of it, is received and prior to the sale proceeds being paid to the seller.

3.6. Reserve

- 3.6.1. All lots, except for lots sold via the immediate-to-purchase platform which will be sold at the immedi-ate-to-purchase price, will be sold with a reserve on a lot, and each lot will be offered for sale subject to the reserve. A reserve shall be agreed to in writing between the seller and Strauss & Co prior to the auction. A reserve, once placed on a lot, may not be changed by the seller without the prior written consent of Strauss & Co.
- 3.6.2. Where a reserve has been placed on a lot, the auction-eer may bid on behalf of the seller until the bids have reached the reserve. No lot may be sold for less than the reserve.
- 3.6.3. Strauss & Co may, at its election, sell a lot at a hammer price below the reserve, provided that the sale proceeds to which the seller is entitled will be the same as it would have been had the sale been at the reserve. Without lim-iting the generality of the foregoing, where Strauss & Co does sell a lot below the reserve, Strauss & Co reserves the right to adjust its seller's commission accordingly to ensure that the seller is paid the sale proceeds it would have received had the sale been at the reserve.

3.7. Insurance

- 3.7.1. Unless Strauss & Co and the seller have otherwise agreed in writing, Strauss & Co will, at its cost, insure all lots con-signed to it or put under its control for sale pursuant to a property receipt form and may, at its discretion, insure property placed under its control for any other purpose for as long as such objects or property remain at Strauss & Co's premises or in any other storage depot chosen by Strauss & Co.
- 3.7.2. The sum for which Strauss & Co so insures any object shall not be construed as a warranty or representation by Strauss & Co as to the value thereof.
- 3.7.3. If any payment is made to Strauss & Co under said insur-ance policy, in the event of loss or damage to any object which occurs prior to an auction or which occurs to a lot which remained unsold at auction, Strauss & Co shall pay such amount to the seller. All lots insured by Strauss & Co shall be insured, in the case of total loss of such lot, for an amount equal to the middle estimate of such lot, or, in the case of damage to such lot which, in the sole discre-tion of Strauss & Co, is capable of being repaired and the lot restored to a condition equivalent to or substantially the same as but no better or more extensive than its condition as recorded in the property receipt, consign-ment and cataloguing process , for an amount equal to the cost of restoration or repair by an expert nominated by Strauss & Co in its sole discretion. Any lot consigned to Strauss & Co for sale via the immediate-to-purchase platform shall, in the case of total loss of such lot, be insured for the immediate-to-purchase price, or, in the case of damage to such lot which, in the sole discretion of Strauss & Co,

is capable of being repaired and the lot restored to a condition equivalent to or substantially the same as but no better or more extensive than its condition as recorded on the property receipt form, for an amount equal to the cost of restoration or repair by an expert nominated by Strauss & Co in its sole discretion.

3.8. Payments for the proceeds of sale

- 3.8.1. Strauss & Co shall only be liable to remit the sale proceeds of a lot to the seller thereof by not later than 28 days after the date of the sale of that lot, provided that the full purchase price for that lot has been received by Strauss & Co in cleared funds and that there is no dispute regarding the lot and provided further that all foreign exchange requirements and bank transfer processing requirements and procedures have been fulfilled.
- 3.8.2. The seller agrees that Strauss & Co shall be entitled to publish the price for which a lot was sold at any auction or via the immediate-to-purchase platform, however, such price in no way reflects the sale proceeds that is payable by Strauss & Co to the seller.
- 3.8.3. If the buyer of a lot fails to pay the total amount due to Strauss & Co within 1 month of the date of sale of that lot, Strauss & Co shall give notice of this to the seller of that lot and shall request the seller's written instructions as to the appropriate course of action to be followed. Should Strauss & Co deem it so appropriate, Strauss & Co will assist the seller to recover the total amount due from the buyer. Should no written instructions be forthcoming from the seller within 7 days after Strauss & Co has requested such instructions, the seller hereby authorises Strauss & Co to act as agent for and on behalf of the seller, at Strauss & Co's sole and absolute discretion but at the seller's cost and expense:
 - 3.8.3.1. to agree terms for payment of the total outstanding amount with the buyer;
 - 3.8.3.2. to remove, store and insure the lot sold;
 - 3.8.3.3. to settle any claim by or against the buyer on such terms as Strauss & Co in its sole and absolute discretion deems fit;
 - 3.8.3.4. to take such steps as Strauss & Co in its sole and absolute discretion considers necessary to collect monies due to the seller from the buyer; and
 - 3.8.3.5. if necessary, to rescind the sale and refund any monies already received from the buyer to the buyer.
- 3.8.4. Should Strauss & Co pay an amount equal to the sale proceeds to the seller before it has received the full payment of the purchase price from the buyer, the parties agree that ownership of the lot shall pass to Strauss & Co.
- 3.8.5. If the sale of any lot is legally annulled, rescinded, set aside, cancelled or nullified by the buyer, and Strauss & Co has paid the sale proceeds to the seller, the seller shall immediately refund the full sale proceeds to Strauss & Co, who will in turn refund the purchase price to the buyer and make the lot available to the seller for collection. Any annulment, rescission, cancellation or nullification of the sale shall not affect the seller's obligation to pay the seller's commission to Strauss & Co and/or to reimburse any recoverable expenses incurred by Strauss & Co and all handling fees (if any).

3.9. Withdrawal fees

- 3.9.1. A seller may only withdraw a lot from being offered for sale by written notification to Strauss & Co, which is received by Strauss & Co at least 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) prior to –
 - 3.9.1.1. the commencement of any auction at which the lot is to be offered for sale;
 - 3.9.1.2. the lot being listed for sale on the immediate-to-purchase platform.
 - 3.9.2. Upon receipt of proper notification of withdrawal as envisaged in clause 3.9.1.2, Strauss & Co reserves the right to charge the full seller's commission and buyer's premium to the seller as a withdrawal fee, both calculated on –
 - 3.9.2.1. the latest middle estimate of the selling price of the lot withdrawn (together with VAT thereon) in respect of lots to be sold by way of auction; and
 - 3.9.2.2. the price determined by the seller pursuant to the property receipt from in respect of lots to be sold via the immediate-to-purchase platform, and all recoverable expenses and all handling fees (if any) incurred in relation to such lot. The withdrawal fee (together with VAT thereon) and all such recoverable expenses and all handling fees (if any) must be paid into Strauss & Co's designated bank account in full in cleared funds at least 24 hours (or such other period as Strauss & Co may allow in its sole and absolute discretion) prior to –
 - 3.9.2.3. the commencement of any auction at which the lot is to be offered for sale; or
 - 3.9.2.4. the time at which the lot is scheduled to be listed for sale via the immediate-to-purchase platform, failing which Strauss & Co is authorised to sell the lot at such auction.
 - 3.9.3. If a lot is withdrawn by the seller, the seller shall arrange for the collection and removal of the lot at the seller's expense within 3 days after the date of the withdrawal, provided the seller has paid the applicable withdrawal fee (plus VAT) and recoverable expenses to Strauss & Co. If a seller fails to collect and remove a lot within the aforesaid 3 day period, Strauss & Co shall be entitled to:
 - 3.9.3.1. charge the seller all relevant handling fees (or a portion thereof);
 - 3.9.3.2. remove, store (at Strauss & Co's premises or a storage facility chosen at the sole and absolute discretion of Strauss & Co and at the cost and expense of the seller) and keep insured the lot at the seller's sole risk and expense;
 - 3.9.3.3. sell the lot by auction, private treaty or via the immediate-to-purchase platform, as may be applicable, with estimates and reserves at Strauss & Co's sole and absolute discretion and to store the lot, as contemplated in clause 3.9.3.1, pending such sale. The sale proceeds of such lot, if sold, less the seller's commission, recoverable expenses referred to in clause 3.9.2 and all handling fees (if any), will be forfeited in favour of Strauss & Co unless collected by the seller within 2 months of the date of the sale.
- 3.10. **Photography and illustration.** Strauss & Co shall have the sole and absolute right to illustrate, photograph or otherwise reproduce images of any lot submitted

by the seller for sale, whether or not in conjunction with the sale, and to use such photographs and illustrations at any time and in their sole and absolute discretion. The copyright of all photographs taken and illustrations made of any lot by Strauss & Co shall be the sole and absolute property of Strauss & Co and Strauss & Co undertakes to abide by all copyright applicable to any and all lots submitted for sale as well as any other applicable legislation.

3.11. Unsold lots

- 3.11.1. Strauss & Co shall as soon as reasonably practicable after the conclusion of an auction provide the seller with a post sale notification advising the seller that a lot has not been sold. Strauss & Co shall consult the seller where any lot remains unsold for a period of 7 days after an auction, to determine whether such lot should be re-offered for sale on another auction. Should the seller decide not to re-offer such lot, the seller shall be obliged to collect the unsold lot from Strauss & Co by no later than 7 days after the date on which it communicated its decision not to re-offer the lot, failing which Strauss & Co shall in its sole and absolute discretion be entitled to charge the seller storage fees and all other expenses incurred in respect of such lot, including, without limitation, all relevant handling fees.

Such balance will be forfeited by the seller if the seller fails to collect same within 2 months of the date of the sale.

- 3.12.1. If any lot remains unsold after an auction or on the immediate-to-purchase platform, but is still at the premises of Strauss & Co, Strauss & Co will have the right to receive, from a prospective buyer, a post-auction offer on the seller's behalf, as set out in clauses 3.1.6 and 3.1.7.
- 3.12.2. Any post-auction offer made by a prospective buyer and presented to the seller in question by Strauss & Co as set out in clause 2.10 will, if accepted by the seller within the time frame indicated by Strauss & Co when presenting the offer, be binding on the seller in question and be governed by the provisions in these Conditions of Business that relate to matters following an auction.

6.2. Warranties

- 6.2.1. The seller warrants, in addition to all other representations and warranties given in these general conditions of business, that he is in possession of a valid liquor licence (to the extent that he is required by law to be in possession of a liquor licence) and is entitled to sell all lots of wine offered for sale. The seller agrees to indemnify and keep Strauss & Co its officers, directors, employees, agents and the buyer indemnified against any loss or damage suffered by either of them as a result of a failure by the seller to be properly licensed (to the extent that it is required to be licensed) and entitled to sell liquor in accordance with the laws of the Republic of South Africa.

- 6.4.1. For the purpose of this clause 6.4, 'ullage' means the amount by which the level of a wine bottle falls short of being full.
- 6.4.2. Ullage levels may vary dependent on the age of the wine and old corks may fail during or after delivery of wine. To the extent possible, the level which a wine bottle may be short of being full will be described in the catalogue in accordance with the diagram provided in Annexure B below.
- 6.4.3. The ullage described in a catalogue by Strauss & Co is based on an inspection conducted by Strauss & Co prior to the sale of wine and such ullage, particularly in the case of older wines, may be subject to variation prior to or after the sale of that wine. Accordingly, the ullage and condition of wine as described in a catalogue is merely provided by Strauss & Co to assist buyers in determining the price of wine and therefore, under no circumstances do Strauss & Co warrant the accuracy of this information and shall not be held liable for the condition of wines or ullage which may differ from their description in a catalogue.
- 6.4.4. Save as provided for in clause 2.6 above, Strauss & Co shall under no circumstances accept any returns or make any refunds or adjustments to prices of sold wines which may result from the natural variations of ullages or poor conditions of cases, labels, corks or wines.

- 6.5.5. *Should the buyer fail to collect the lot by the end of the 20th business day following the date of auction or the date of sale by way of private treaty, unless otherwise agreed in writing, the seller:*
- 6.5.5.1. shall be entitled to charge the buyer storage costs from that date; and
- 6.5.5.2. may, in its sole and absolute discretion, move the lot to or within an affiliate or third-party warehouse and charge the buyer any transport and/or administration and/or other costs associated therewith.
- 6.5.5.3. Unless the buyer agrees otherwise with the storage facility, the buyer must collect an entire lot upon collection.
- 6.5.6. Nothing in this clause 6.5 shall be construed to limit any rights that Strauss & Co may have (to the extent applicable) under the general conditions of business, including, without being limited to, clauses 2.13, 2.14 and/or 3.11 above.
- 6.6. **Option to buy parcels**
- 6.6.1. For the purposes of this clause 6.6, a 'parcel' shall mean several lots of the same wine, being of the identical lot size, bottle size and description.
- 6.6.2. When bidding for a parcel, the bidding will commence on the first lot of the parcel and the successful buyer of that lot of the parcel shall be entitled to take some or all of the remaining lots in the parcel at the same hammer price.
- 6.6.3. If the buyer of the first lot of a parcel does not take any further lots in the parcel, as specified in clause 6.6.2, the remaining lots of the parcel shall be sold in accordance with the same process referred to in clause 6.6.2.
- 6.6.4. This process shall be continued by the auctioneer until such time that there are no lots in the parcel remaining for sale, all of which shall be handled by the auctioneer in its sole and absolute discretion.

7.1. General

- 7.1.1. In addition to the general conditions of business, which are applicable to all online auctions, live broadcast auctions and any sales via the immediate-to-purchase platform, unless specifically varied in terms of this clause 7, the following are the terms and conditions (the **'online terms'**) under which (a) a user may use the website and any co-branded websites of Strauss & Co at <https://www.straussart.co.za/>, (b) a bidder may take part in an online auction or a live broadcast auction, and/or (c) a bidder may make use of the immediate-to-purchase platform. By accessing and using the website, registering for a live broadcast auction or using the immediate-to-purchase platform, the user and/or the bidder, as the case may be, accepts and agrees to be bound, without modification, limitation or qualification, by the general conditions of business and the online terms. Strauss & Co may, in its sole and absolute discretion, modify or revise the general conditions of business and/or the online terms at any time. The user and/or the bidder, as the case may be, is bound by any such modification or revision.
- 7.1.2. If the user does not agree to any of the general conditions of business or the online terms, the user should not enter, view or make use of the website, take part in live broadcast auctions or enter, view or make use of the immediate-to-purchase platform.
- 7.1.3. Specific rules, in addition to the general conditions of business and the online terms, are provided with respect to transactions conducted on or in connection with the website, and other rules may be provided for the use of certain other items, areas or services provided on or in connection with the website, and the user agrees to be bound by such rules.
- 7.1.4. The user agrees that he/she shall be liable for any successful purchase or bid sent from his/her account while logged into the website and/or the online auction portal.
- 7.1.5. The bidder shall only be able to execute a bid on a lot that is sold by way of online auction within the time-frames determined by Strauss & Co in its sole and absolute discretion.
- 7.1.6. If any online auction, live broadcast auction or sale of a lot via the immediate-to-purchase platform is affected by any connectivity, technical, software or related issues, Strauss & Co shall be entitled in its sole and absolute discretion to:
- extend the duration of any auction / sale;
 - withdraw or reoffer lots for sale;
 - to accept and refuse bids;
 - to reopen the bidding on any lots; and/ or
 - take any other action to protect the interests of the sellers, the bidders and/or the buyers.

7.2. Online Auctions

- 7.2.1. Only persons who are legally entitled to do so are permitted to place a bid on the website and/or the online auction portal.
- 7.2.2. By placing a bid, the user represents and warrants that:

- 7.2.2.1. the user is legally capable of entering into binding contracts or is duly assisted by his parent or guardian; and
- 7.2.2.2. by doing so, the user accepts that Strauss & Co will rely on the user's representation and warranty that the user has unfettered legal capacity and/or authority to contract.
- 7.2.3. The contract between the buyer and the seller of any lot sold in terms of an online auction shall be deemed to be concluded upon acceptance by Strauss & Co of the bid at the hammer price (after determination of any dispute that may exist). Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer. Where a lot remains unsold, no contract of sale is concluded.
- 7.2.4. Due to the nature of an online auction and the fact that an offer for the sale of a lot is open for a long period of time, which provides a user with ample time to consider whether to place a bid, the provisions of the Consumer Protection Act, 2008 regarding the retraction of a bid prior to the fall of the hammer, shall not be applicable to any online auction. Therefore, once a bid in respect of the sale of a lot has been placed by a bidder, such a bid shall be regarded as final and the bidder shall not be able to retract the bid.
- 7.2.5. Strauss & Co shall be entitled within its sole and absolute discretion to deny any user access to the website and/or the online auction portal and shall furthermore be entitled to de-register any user who has registered to use the website and/or the online auction portal should Strauss & Co suspect that such user is not a genuine bidder, buyer, seller or user of the website and/or the online auction portal, may be acting illegally, fraudulently or in bad faith or intends to misuse, disrupt or interfere with the auctions or will breach or has breached the general conditions of business and/or online terms. Strauss & Co shall not be liable for any losses or claims of whatsoever nature arising from any denial of access to the website and/or the online auction portal or user de-registration as contemplated in this clause 7.2.5.
- 7.2.6. Strauss & Co shall be entitled within its sole and absolute discretion to determine the starting bid in respect of each lot offered for sale by means of an online auction.
- 7.2.7. In the event that the buyer does not elect to make use of any of the delivery options provided for on the website and/or the online auction portal, the buyer shall be and remain responsible for any removal, storage, or other charges, including, without limitation, handling fees (if any), for any lot and must, subject to the provisions of clause 6, at his own expense ensure that the lot purchased is removed immediately after the auction (unless otherwise agreed to between Strauss & Co and the buyer), provided that the purchase price has been paid in full.
- 7.2.8. Should a bidder execute a higher bid in respect of any lot sold by way of an online auction within the last 5 minutes before the auction closes, all bidders who have placed a bid for such lot before such higher bid has been executed, shall be allowed to continue bidding on such lot, notwithstanding that the auction has closed, for such extended period which shall end at such time when no bid has been executed within 5 minutes of the last bid being executed during the extended period.

- 7.2.9. Any dispute of whatever nature about any bid or about the identity of the buyer (including without limitation any dispute about the validity of any bid, or whether a bid has been made, or any dispute between two or more bidders) shall be determined at Strauss & Co's sole and absolute discretion, and in such a manner that Strauss & Co deems fair, reasonable and appropriate.
- 7.3. Immediate-To-Purchase Platform**
- 7.3.1. Only persons who are legally entitled to do so are permitted to purchase lots via the immediate-to-purchase platform.
- 7.3.2. By purchasing a lot via the immediate-to-purchase platform, the user represents and warrants that:
- 7.3.2.1. the user is legally capable of entering into binding contracts or is duly assisted by his parent or guardian; and
- 7.3.2.2. by doing so, the user accepts that Strauss & Co will rely on the user's representation and warranty that the user has unfettered legal capacity and/or authority to contract.
- 7.3.3. the contract between the buyer and the seller of any lot sold via the immediate-to-purchase platform shall be deemed to be concluded upon payment of the sale price. Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer. Where a lot remains unsold, no contract of sale is concluded.
- 7.3.4. Strauss & Co shall be entitled within its sole and absolute discretion to deny any user access to the immediate-to-purchase platform and shall furthermore be entitled to de-register any user who has registered to use the immediate-to-purchase platform should Strauss & Co suspect that such user is not a genuine bidder, buyer, seller or user of the immediate-to-purchase platform, may be acting illegally, fraudulently or in bad faith or intends to misuse or will breach or has breached the general conditions of business and/or online terms. Strauss & Co shall not be liable for any losses or claims of whatsoever nature arising from any denial of access to the immediate-to-purchase platform or user de-registration as contemplated in this clause 7.3.4.
- 7.3.5. The price reflected on the immediate-to-purchase platform in respect of any lot offered for sale on the immediate-to-purchase platform shall be the sale price.
- 7.3.6. In the event that the buyer does not elect to make use of any of the delivery options provided for on the immediate-to-purchase platform, the buyer shall be and remain responsible for any removal, storage, or other charges, including, without limitation, handling fees, for any lot and must at his own expense ensure that the lot purchased is removed immediately after the sale of the lot (unless otherwise agreed to between Strauss & Co and the buyer), provided that the sale price has been paid in full.
